

Commas in Lists

We use commas to separate words in a list. Add commas to these lists.

1. Red orange yellow green blue indigo and violet are the colours of the rainbow.
2. Oak elm holly fir beech apple and chestnut are all trees.
3. On the farm there are cows dogs pigs sheep and chickens.

Make lists to complete these sentences, remembering to use commas and the word 'and'.

The fruit stall sells _____

My friends are called _____

When it rains I wear _____

My favourite games are _____

In the zoo we saw _____
