Other Curricular Areas

Family Learning Challenge

As a school, we will be setting family learning challenges on a Monday, Wednesday and Friday. Today's challenge is an art challenge. Have a look around on your daily walk or choose something interesting from your garden to try and draw. Alternatively, try to use some natural materials you can find to create your own picture. (You may remember we did this in autumn where you created some brilliant animals using fallen leaves.)

Skills Development

This week, can you help with the washing? Ask your adult what they would like help with. You could fold the towels, pair the socks or take the washing to the right room to be put away.
