

Curricular Areas

Tasks

Health and wellbeing

Numeracy and Maths

Time

-  Digital o'clock match up
-  Digital half past match up
-  Digital quarter to and quarter past match up

Yoga is a good way to help relax and exercise. Try to search for a cosmic kids you would like to do and complete it.

Literacy and English

Prediction

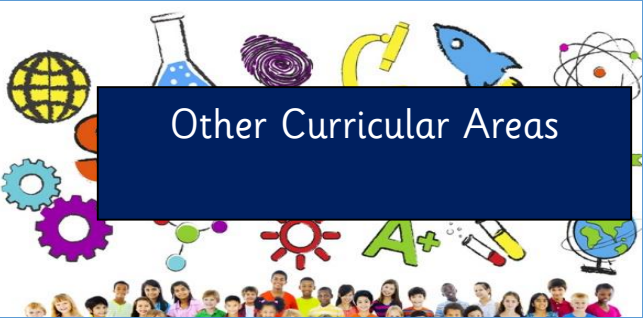

We have worked a lot on predicting what might happen next within our reading this year. Log onto Education City and play the games in 'Literacy Games' about prediction. See if you can score 80% or more! 😊

Spelling/phonics revision

Rule: ie
Choose some active spelling strategies from the sheet to help you practise your spelling words.

Apologies about the change, there was a mix up with the twinkl task assigned as it required a password so I have had to change the task set. If you are keen to do the twinkl comprehension task, you can set up a free account from home to access all of their resources.

Words: **tried, cried, fried, died, dried, lied**

Other Curricular Areas

Health and Wellbeing

Complete the activity about our new class blog on Seesaw by circling yes or no.

Common words: **large, tell, spell, still, saw**

Folders on Seesaw

You may have noticed when you try to submit a task on Seesaw it asks if you would like to put it in a folder. Please choose the folder which relates to the task you are completing (Maths, Literacy, Health and Wellbeing for today) this will help keep your work organised 😊.

Skills Development

This week, can you help with the washing? Ask your adult what they would like help with. You could fold the towels, pair the socks or take the washing to the right room to be put away.
