Choose some adjectives to describe Harry. Remember these can be number, colour, size, shape, smell, texture or pattern words 😊

Use these adjectives in sentences to describe Harry. Try to make your sentences as detailed as possible and don't use the same adjective more than once.

If you really want to challenge yourself, you could try to create a simile using your adjectives too.

For example:

Harry's two teeth are as sharp as a dagger.

Here, I chose to use the word sharp to describe Harry's teeth 😊.
