Numerator
The number shaded or being counted

$\frac{1}{3}$

Denominator
The TOTAL number of equal parts that represent a whole

$\frac{1}{3}$

Writing- scratch off and write

Today you will be writing a short story 😊 You will be given a choice of 3 settings, 3 characters and 3 different objects. You will choose 1 from each section by using the eraser tool and 'scratching it off'. You will have to really creative and imaginative when writing your story because your setting, character and object might be totally random. Try to either type up your story or write it on paper to practise your handwriting. Have fun!

Health and Wellbeing

Mindful Moments - Eat a Rainbow!

For this mindfulness task, you will need some foods of different colours. You could use pieces of fruit, vegetables, or even coloured sweets! Explore your feelings... For every **RED** one you eat, say something that excites you. For every **ORANGE** one you eat, say something you are grateful for. For every **YELLOW** one you eat, say something that makes you happy. For every **GREEN** one you eat, say one thing you have done to make you feel proud . For every **BLUE** one you eat, say something that has made you sad. For every **PURPLE** one you eat, say one thing you could have done differently today. Can you eat a whole rainbow?

Health and wellbeing

British Sign Language (BSL) is a visual way of communicating with others using gestures, facial expression, and body language. Click on the link below and use the grid to practise signing your name. Record yourself signing your name and post it on Seesaw.
