Think about all the animals that are put in danger due to plastic pollution and write a acrostic poem about one of them. Some templates and examples are available under the activities tab on Seesaw.

use your creative thinking and problem solving skills to help you think about the following questions when building your fort. What materials are you going to use to

build the roof and wall of your fort? How will you put your fort together? What shape will your fort need to be to make it strong and sturdy? Don't worry if your fort collapses

the first time, think about what you can change to make it better and stronger next time

STEM Your challenge today is to build a fort, either indoors or in the garden. You will have to
