Research Project - Sportsperson

Yesterday you chose a sportsperson and researched their name, age, sport, nationality and achievements. Today, research any interesting facts/information about them and note down the top 5 facts that you would like included in the final factfile.

You can write your notes on paper or on Seesaw and save it as a draft as you will submit your final factfile at the end of the week.

Science - Shadow Puppets

A **shadow** is the dark shape made when something blocks light. You must have a source of light in order to have **shadows**.

Watch the video below on how to make shadow puppets with your hands, see if you can copy them or try to make shapes of your own. Take a photo or video of any shadows you make and post them on Seesaw.
