

Curricular Area	Tasks
 <p>Numeracy & Mathematics</p>	<p><u>Main Activity:</u></p> <ul style="list-style-type: none"> This week our focus is on 'Time'. Today we're looking at recognising 'o'clock' times on an analogue display. Talk through the PowerPoint on Seesaw, then print out or make your own analogue clock and use it to practise making different 'o'clock' times. (See Seesaw activities) <p><u>Active/Interactive Activities</u></p> <ul style="list-style-type: none"> Practise telling o'clock times on an analogue display (Level 1 - 'Read time to the hour') https://mathsframe.co.uk/en/resources/resource/117/telling_the_time_in_words
 <p>Languages</p>	<p><u>Reading:</u></p> <ul style="list-style-type: none"> This week we are introducing our new reading books online using Oxford Owls. Your reading book has been assigned to you on Seesaw, where you can also find your log in details to access the Oxford Owls website. <p><u>Phonics:</u></p> <ul style="list-style-type: none"> This week our sound is 'kn' with the k being silent! Pick another activity from your spelling menu to help learn the words.
 <p>Other Curricular Areas</p>	<p><u>Topic - Local Area</u></p> <p>We are now going to expand from looking at the local area to having a look at the whole world.</p> <ul style="list-style-type: none"> Using Google Maps, a globe, a map or atlas have a look at a world map. Locate Scotland and the United Kingdom. See how small it is compared with many of the countries around the world. Find these countries on your map: Australia, Egypt, South Africa, Brazil, Pakistan, China, USA, Spain, Canada, India and Italy. Using the map of the world that is attached see if you can mark these countries on it.
