

Primary 1 Daily Plan

Date: 27th May 2020

Curricular Area Tasks

We are learning to develop our mental maths skills.

Play Addition/Subtraction Bingo at home (See instructions sheet for details).

We are learning to write sentences using capital letters, full stops and finger spaces.

Writing: News

Write a sentence describing what you did at the weekend. Remember to start your sentence with: At the weekend

(Some questions to help/challenge you: What was your favourite thing you did? Can you give a reason why? Who did you do it with?)

Pick 2 days to write about (You may need to start with something different e.g.: "On Friday I.... On Saturday I...)

Abstract Art Roll and Draw

Abstract Art can be anything you want it to be. It does not need to be perfect and it should look a bit different to real life.

Use a dice to complete abstract art roll and read. (If you do not have a dice, you could write the numbers on a piece of paper and pick out numbers from a cup)

Complete on a piece of blank paper and post to Seesaw.

Health and wellbeing

Joe Wicks: PE Live Cosmic Kids Yoga

Phonics revision

Phonics Rule: Consolidation:

ng qu wh

Practise formation of each digraph and complete 'Digraph

Matching Sheet'

Common words: Consolidation:

am me my did as he can we into go

Pairs

Make another copy of your words on cards. Place all or a selection of words upside down. Take turns with someone at home to see if you can find a pair!

Formation

Remember to complete letter and number formation daily using laminated sheet as a guide.
