

Curricular Area	Tasks	Health and wellbeing
 <div data-bbox="197 441 489 525"> <b>Numeracy and Maths</b> </div>	<p>We are learning to develop our mental maths skills.</p> <p>Activity: Salute Game (see instructions)</p>	<p>Joe Wicks: PE Live</p>
 <div data-bbox="197 695 489 779"> <b>Literacy and English</b> </div>	<p>We are learning to hear and say patterns in words.</p> <p>Activity: Initial Sound Name challenge!</p> <p>Can you find an object in your house that begins with each letter of someone in your family's first name? e.g. John (a jumper, orange, hat and a napkin)</p>	<p><b>Phonics Rule: Consolidation -</b> All Digraphs and Common Words. Please see attached a list of all previously learned digraphs and common words. The list includes <u>all</u> common words learned in class.</p> <p>This week, you can choose <u>some</u> digraphs/common words you wish to practise a little more. You can choose how you would like to practise them (you can use the common words Grid on blog or use previous digraph activities- Remember- You are <b>not</b> expected to go over all digraphs and common words in this list this week. This list is yours to keep and can be revisited at any time for some extra practise!</p>
 <div data-bbox="197 1073 512 1105"> <b>Other Curricular Areas</b> </div>	<p>Junk Modelling Challenge</p> <p>Can you use junk materials to make a toy? It must be able to:</p> <ul style="list-style-type: none"> <li>- Stand on its own</li> <li>- Look like a real toy</li> </ul> 	<p><b>Formation</b></p> <p>Remember to complete letter and number formation daily using laminated sheet as a guide.</p>
