

The Learn Well Service is dedicated to supporting young people who find engaging with school challenging.

We are dedicated to supporting your wellbeing and learning.

Children 1st

About Our Service

Learn Well aims to ensure that you continue to have educational and wellbeing experiences and opportunities in order to help you develop, thrive and pursue positive life outcomes.

We will link in with your school (via your pastoral care teacher) in order to make learning opportunities and resources available. It is important to us that your voice is heard.

We want to work alongside you and your family to create a motivating learning path to help you create and achieve your education and wellbeing goals.

On the next page you can find more about the EBSA team and what support we can offer.

WHAT WE CAN OFFER

Our current activities include . . .

MONDAY

Wellbeing Walks

@ Cowan Park, Barrhead - Benches beside Playpark
11am - 12pm

WEDNESDAY

English Supported Study Session

@ Carlibar Primary, Adult Learning Room
10am - 12pm

FRIDAY

Art Workshop, Coffee & Catch-up

@ Carlibar Primary, Adult Learning
10am-11:30pm

We will also link in with your school for learning resources and materials.

We will offer a range of learning and wellbeing opportunities and activities, for young people and families.

We will keep you updated on your child's progress..

Our Learn Well team will link in with you and your child to find the best way to support their learning and wellbeing.
Your opinions matter to us!

This timetable is always improving and changing, we will keep you updated.

Additional Resources

Iain Shewan
Children 1st Project Worker

I enjoy playing and watching football; listening to music, cooking, laughing with friends and working with young people. I also like being outdoors; cooking on a firepit and exploring new places. I'm excited to be working with the Learn Well team and I'm looking forward to listening to the view of young people, supporting families and planning engaging activities.

Jane Clark
Children 1st Project Worker

Hello everyone! I love catching up with friends and family over some tasty food, especially Korean food, which I believe is the best (but I'm probably biased...). I enjoy going for walks, exploring new coffee shops, and playing tennis. I'm really looking forward to getting to know the young people through the Learn Well service and helping them engage in new opportunities.

Rachel Beattie
Neurodevelopmental Support Worker

Hi everyone! In my free time I love nothing more than going out for food and for coffee with friends. As soon as the weather gets warmer I enjoy exploring new places and camping as much as possible. I also enjoy chilled nights in the house with popcorn and films. I'm looking forward to having the opportunity to meet all of the families through Learn Well and have new experiences together.

Our team consists of a partnership between East Renfrewshire Education department and Children 1st. The team who will be working with you consist of a Teacher, Pupil Support Assistant, Neurodevelopmental support worker and two Children 1st project and support workers. We are here to support you, with your wellbeing and learning.

Kimberley Vallance
Learn Well Teacher

I love reading, which is no surprise given my background as an English teacher! I also really enjoy being outdoors, going on adventure walks and hill climbs. I am currently training for my first half marathon so I am spending a lot of time out running and building up my stamina. I am at my happiest when hanging out with my family, watching a good film and eating pickles straight from the jar.

Sarah Trench
Pupil Support Assistant

When I'm not spending time doing arts and crafts, I love reading fiction, playing games and trying out new hobbies. I enjoy spending time with my friends, going on walks; because I love nature and animals. I'm also very interested in history. I can't wait to get to know the young people and families in our service, and creating fun and engaging activities and learning experiences for everyone.
