

# Primary 2bravo!

## Intro

Hello there!

My name is Mr Keir and I am the teacher in Primary 2bravo this year.

I was on paternity leave for the first two weeks of term as my wife and I welcomed twin boys into our family. Since being back at school, I have been blown away by Primary 2.

Your children are amazing and I cannot wait to work with them to help them reach their goals.

## P.E.

Physical Education will take place on a Tuesday, Thursday and Friday each week.

For the foreseeable future this will be outside.

Please can you make sure your child has appropriate shoes for outside P.E. as well as a weather proof jacket with their name on it and if possible trousers. We don't want the children to be cold!

## Curriculum

The children have been having a lot of fun in Primary 2bravo and have enjoyed their learning so far. We will continue to learn and explore through play throughout the year, including making full use of the outdoors to promote curiosity and creativity. We have been working hard consolidate our reading, writing and numeracy skills and have been getting back in to the swing of achieving targets throughout the day. The children also get regular opportunities to learn and play with children from P2alpha in our shared atrium space.

I would like to take this opportunity to thank all the parents for their support during lockdown. It is clear that everyone has worked hard over the months and has really helped with the transition in the Primary 2.

## Class Twitter

Throughout the year I aim to share our learning with you on our class school Twitter page.

You can find us at: @ERCmaidenhill2

## Home Learning

Home learning will be given out weekly via Google Classroom.

If there are any issues with accessing any of the materials please feel free to let me know.

Could I ask for all enquiries out with home learning to be directed to the office?

Thank you.
