

Welcome to Primary 2alpha!

Miss MacInnes and Miss Barnett are the Primary 2alpha teachers this year. The class have settled well into their new routines and are clearly happy to be back at school. We are off to a fantastic start!

Our PE days this year will be on a Monday and a Wednesday. We will be enjoying PE outdoors in the MUGA and taking part in various other outdoor learning experiences. We ask that you equip your child with appropriate clothing for all weathers.

During the first few weeks, the children have been busy refreshing their memories of life in school and building up new friendships. We have been reading 'The Colour Monster' which explores feelings and emotions. We have been looking at different strategies we can use when we are feeling sad, angry or scared. This has helped us to establish our positive ethos in Primary 2, which we will continue to work on throughout the year.

Over the next few weeks in Literacy, we will be reading different types of texts and looking at how sentences are structured. This will help us to write our own sentences using capital letters and full stops. In Numeracy, we will be continuing to develop our number sense and revising number bonds to 10 and beyond.

The children are continuing to learn through play and engage in a variety of different experiences throughout the day, including accessing the atrium with Primary 2bravo. We know how much the children love messy play and art. I would like to ask if the children can bring an old t-shirt or an apron to assist with this.

We would like to thank all the parents for their support during lockdown with home-learning. This is much appreciated as it has helped us to hit the ground running in Primary 2.

We are all looking forward to an exciting year in Primary 2alpha!
