

WELCOME

To

PRIMARY 4

A Warm Welcome

A very warm welcome back to the new Primary 4 class of Maidenhill Primary School & Nursery. I'm very much looking forward to a great year ahead with you all and being a part of your learning journey. Despite the unprecedented time we are all in, it is a joy to be back in our wonderful school.

The Story So Far

Since beginning the new session, we have been focusing on creating a positive and welcoming environment in our class. The children have also been collaborating to develop their growth mind-set and gain an understanding that it is ok to make mistakes, thus building their resilience.

Outdoor Learning

This year we will be looking more into bringing our learning outdoors. As with PE, please ensure you have suitable clothing e.g. warm and waterproof jacket/ hats/gloves etc.

PE

This term we will be holding our PE sessions on Tuesdays and Thursdays. As we are heading into the colder months, children should bring suitable clothing for our unpredictable Scottish weather e.g. jogging bottoms and waterproofs.

Looking Ahead

In addition to the core areas (Maths, Literacy, Health & Well-being), the children will decide on the context for their interdisciplinary learning and over the coming weeks will share their thoughts and interests. This learning will have a key focus on transferable skills which can then be applied and developed to further curricular areas. We look forward to sharing this with you in the near future.
