Dear Parent/Carer

Smart Drone Solutions Whole School and Nursery Class Photograph

We have agreed to facilitate a visit from Smart Drone Solutions for w/b May 24, but most likely **Wednesday May 26**. The company wishes to take 2 dramatic photographs- one of the whole school P1-P7 and a separate one of our nursery class. These photographs will then be offered for sale at a cost of £10, with Smart Drone Solutions kindly donating £2 of every sale to our school fund.

As Smart Drone Solutions is an independent company, permission is required from you before photographs are taken. We have been assured that photographs will not be shared with any third party and will only be used for the purpose of sale directly to you or for use as limited sample material when the company make contact with other schools. Control of the image remains with Smart Drone Solutions and will not be available to be re-published, broadcast or manipulated by any third party. Please note that in giving your permission for photographs to be taken you have not entered in to any contract with Smart Drone Solutions and are under no obligation to make a purchase.

Please indicate on the tear-off slip whether you give permission for your child/ children to take part in the photo session.

Please return the tear-off slip to school by Friday 21 May. **The easiest way to do this is to e-mail back to schoolmail@maidenhill.e-renfrew.sch.uk marked 'Drone Photograph'**

Yours sincerely

Alasdair McDonald
Head Teacher
