

# Nursery Newsflash

Hello and welcome to our new nursery news letter! This will be available every two weeks to help keep you up to date with everything happening at Maidenhill Nursery.

## What's Going On?

This week the children have helped redesign the different areas in our nursery, including our role play and our arts and crafts area.

We have loved being back in nursery sharing stories, making new friends and getting to know each other again.

## Recycling

We would love if you could send in some clean plastic bottles, tubs, cardboard boxes or anything else you can think of for the children to use in our junk modelling and shop areas.

We will collect these at the door on Monday 20<sup>th</sup> and Tuesday 21<sup>st</sup> only. Please do not donate any toilet roll tubes.

We have been busy in the garden building their own dolls houses, climbing our hill, and playing in our remodelled mud kitchen.

As the weather turns truly autumnal, please make sure your child either has wellies that stay with us or comes to nursery with the appropriate clothes for the weather that day.

## Looking Ahead.....

In the next few weeks we will be looking at things with a shiny theme and thinking about different patterns – again, any interesting donations welcome!

We are looking forward to exploring different shapes in the environment, enjoying learning about different characters in stories and even creating some of our own.

## Lunches

A new lunch menu starts on the 4<sup>th</sup> October. Please see overleaf.

Don't forget to keep up to date with our twitter feed @ERCMAidenhillNC

## Lunches

The addition of hot meals in the nursery has been truly fantastic. It has been great to see how quickly the children have developed their independence in helping to set the table, serve themselves and even clean up afterwards. Please make sure you take full advantage of this at home!
