

Class 5b

Spring Newsletter

Welcome to our class Newsletter! We have been working incredibly hard recently and can't wait to return to school for our last term of Primary 5!

What we have been learning this term...

In **Numeracy**, we have been solving problems involving **fractions**. We have also been learning how to find and compare the **area and perimeter** of different types of shapes.

In **Literacy**, we have learning how to **summarise** a text, as well as looking into **persuasive writing** techniques. We designed fictional hotels and holiday homes and then created posters to advertise them.

Maths Vocabulary

- Equivalence
- Simplify
- Tenths
- Hundredths
- Numerator
- Denominator
- Mixed Number
- Improper Fraction

This term, we have been exploring **African** traditions and culture. We compared African and Scottish landscapes and examined some of the shapes and patterns used in African art.

We also discovered the advantages and disadvantages of **renewable** energy sources and looked into ways of living a more sustainable life.

Maths Vocabulary

- Decimal Point
- Rounding
- Comparing
- Whole Number
- Less than/greater than/equal to
- Convert
- Ascending/descending

What we are moving on to next term...

In **Numeracy**, we will be exploring **decimal fractions**, as well as solving problems related to **time and money**.

In **Literacy**, we will be learning how to make **notes**, **organise** them under suitable headings and use them to **create texts** of our own.

Our **IDL** themes for next term will be '**Fairtrade**', '**Substances**' and '**The Titanic**'!
