**SCOTTISH
APPRENTICESHIP
WEEK 2017**
6-10 MARCH

As part of Scottish Apprenticeship Week, GTG Training is holding an Apprenticeship Recruitment Open Day on Friday 10th March 2017.

We would like to invite you to attend our showcase of Modern Apprenticeship opportunities, giving pupils an insight into careers in mechanics, vehicle body repair, vehicle spray paint, vehicle parts, garage equipment engineering, alarm engineering, business administration and customer service.

This is a fantastic opportunity to view our leading-edge training facilities, meet current apprentices and find out more about our courses. Our apprenticeship programmes offer people aged 16 and over a way to earn while they learn, as they work towards a recognised qualification, skilled employment and greater career prospects.

Please note: This event is free of charge and targeted at people aged 16+ with Standard Grade 1-4 qualifications/National Grade 4/5 (already achieved or currently studying at this level).
