

CLPL Resources

<u>Theme</u>	<u>Details</u>	<u>Access point</u>
<u>Anti-bullying</u>	This summarises the evidence on the overall effectiveness of anti-bullying interventions, before identifying and describing the characteristics common to effective interventions. The paper next describes a range of international and Australian examples of evidence-based anti-bullying strategies. Finally, the paper examines how schools can best be supported to identify what strategies will be most effective.	https://www.cese.nsw.gov.au//images/stories/PDF/anti bullying in schools what works_AA.pdf
<u>ASN milestones</u>	Milestones to support learners with ASN	https://education.gov.scot/improvement/learning-resources/milestones-to-support-learners-with-complex-additional-support-needs-literacy-and-english/
<u>ASN other</u>	CALL Scotland help children and young people across Scotland to overcome disability and barriers to learning created by their environment, and to fulfil their potential they have provided various online learning	https://www.callscotland.org.uk/professional-learning/
<u>ASN other</u>	Addressing Dyslexia Three free online learning modules have been developed in response to Recommendations 1 and 2 of the 2014 Education	http://addressingdyslexia.org/free-online-learning-modules

Scotland Review: Making Sense of Dyslexia: Education for Children and Young People with Dyslexia in Scotland.
