

Wednesday 27th September 2023

Here are some exciting learning experiences that you can do even while you are at home.

Language and Literacy

A B C D

We are learning to write letters

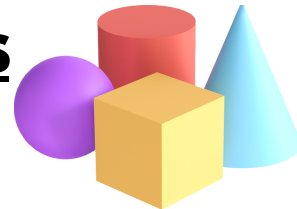

Using the link below to choose the letters can you copy them using your finger or a paintbrush into shaving foam or rice.

<https://ictgames.com/mobilePage/skyWriter/index.html>

Numeracy and Mathematics

We are learning to recognise numbers.

Write numbers 0-10 or 0-20 (for a challenge) on a piece of paper and hide them around the house. Ask your child to go on a number hunt. Every time they find a number, they have to do that many star jumps on the spot. Once all of them have been collected, you could also ask your child to order them.

or

Use this game to practice putting numbers in order either 0-10 or 0-20 if you would like a challenge.

Health and Wellbeing

We are learning to develop our movement skills .

Try this 10 minute move workout. You can use a soft toy to help you.

Social Studies

We are learning about Autumn.

Go on an Autumn scavenger hunt. Get your child to identify the colours around them. Talk about the changes we notice in the environment as the seasons change from Summer to Autumn e.g. weather, colours, animals, plants etc.
