

S3 Graphic Communication 2019-20

	Week No.	<i>The S3 Graphic Communication course continues to give pupils an insight into the role of graphics in industry and society. Pupils will develop skills in both manual and computer aided graphics. They will use instruments to produce formal technical drawings; develop skills in sketching, rendering and the use of colour; use industry standard software for 3D modelling and desktop publishing. Pupils will begin to develop skills which will lead them to a National 4/5 award, with the opportunity of further study at Higher and even Advanced Higher level.</i>
