

S4 Information Evening

Thursday 25th October 2018

Jesus as a child you grew

in learning and wisdom.

Bless Saint Ninian's High School

a community of faith and love

where young people learn, work and grow together.

Help us to make our school a place

where teachers are valued for their dedication,

young people are encouraged to develop their talents,

and where all - staff, young people, and parents

work together in trust and friendship.

Live among us now and forever.

Amen

Health & Wellbeing in S4

5. Our Health & Wellbeing

Pupils said they had noticed a more focussed approach to HWB in PSHE and at assemblies. In particular pupils discussed the positive approach to mental health and wellbeing. Pupils stated that some departments had discussed HWB in class and linked it to the curriculum but would welcome this in more subjects. Mr Marshall explained that all subjects will be making links to HWB more in the future and welcomed any ideas how to promote this in this school.

- Please continue to check our school website for regular HWB updates
