## October 2018

# FAITH MATTERS

Jesus as a child you grew

in learning and wisdom.

Bless Saint Ninian's High School

a community of faith and love

where young people learn, work and grow together.

Help us to make our school a place

where teachers are valued for their dedication,

young people are encouraged to develop their talents,

and where all - staff, young people, and parents

work together in trust and friendship.

Live among us now and forever.

Amen

# Morning Mass

"The best, the surest and the most effective way of establishing everlasting peace on the face of the earth is through the great power of Perpetual Adoration of the Blessed Sacrament."

*Blessed John Paul II*

# Venerable Margaret Sinclair Novena

There is a Novena in the Oratory every Monday at 12.40pm asking for the intercession of the Venerable Margaret Sinclair.

Our main intention will be for members of our school community – including family and friends – who are ill.

We hope that parents, families and friends will be able to join us for this Novena.

We would also invite anyone who cannot manage to our Oratory at this time to join with us in prayer.

## What is bullying?

**Bullying is a mixture of behaviours and impacts; what someone does and the impact that it has on you, which affects your ability to feel safe and in control of yourself.**

Bullying behaviour happens face to face and online and can include:

- Being called names, being teased or made fun of
- Being hit, pushed or kicked
- Having your belongings taken or damaged
- Being ignored, left out, or having rumours spread about you in
- Being humiliated
- Receiving abusive messages or having nasty comments made about you online
- Being targeted because of who you are or how people see you

This can hurt you physically or emotionally and, although the behaviour might not be repeated, the threat or worry that it will happen again can be very real.

# Biology Week 2018

6th-14th  
October

Get involved!

To celebrate and advocate biology within our school, St Ninian's will be hosting an art competition during biology week.

This year, our theme is 'Biology at its best!'

You must display 'biology at its best' in any artistic way you can think of. Whether it be a pencil drawing, painting, photograph or model, you must try and capture the greatness of biology in one picture.

The closing date is **Monday 22<sup>nd</sup> October**. Hand in, or email your entries to any biology teacher in the department. A panel of judges will then choose the winner that day and award the lucky contestant with a great prize!

Any further questions, please see Miss McGoldrick in biology.  
**Good luck!!**
