Netherlee PTA - Treasurers Statement 08.12.2021

The current signatories to the PTA Bank Account are Dorothy Buchanan and Susan MacIennan.

We have completed opening a new business banking account for the PTA which should give us more functionality. I still have to activate the account and add Fiona Burton (Chair) and Gail Loudon (Vice-Treasurer) as additional signatories.

We note there was expenditure agreed toward various items for the school grounds which have not all been able to proceed. An amount of £600 had been indicated for a mural and playground painting.
