## Instructions for Logging in to GLOW and accessing Google Classroom

Go to the website <u>www.glow.rmunify.com</u>

Enter GLOW log in details.

Once your launch pad has opened click on the Google Classroom Tab (if you don't have Google Classroom there are instructions at the end that explain how to add it).

If you don't have Google Classrooms click on add.

Then click on Add App from Library.

Then type Google Classroom into the Search Box.
