## Super Show

Our first article is dedicated to something utterly fantastic: the Primary 7 show! Recently, we were lucky to be invited to watch Netherlee through the decades! Here is what we thought.

“Netherlee Through the Decades” was a fantastically entertaining musical. With a focus on different decades, the show travelled through time from the 1930s to the 2020s. This musical contained:

- Amazing songs

- Funny scenes!
- Stupendous transitions
- Great acting
- Fabulous costumes and much more.

This was an amazing musical so we are giving it 5 stars! It was clear that the pupils and teachers of Primary 7 had worked tirelessly to produce this fantastic piece. We interviewed Heidi who played the lion. She said that trying to get everyone to exit the stage smoothly was the hardest part of the job!

# NETHERLEE NURTURERS

## An inside exclusive

Netherlee Nurturers have been chosen from primary six and seven to help buddy the younger years. They have been given training for a whole month and are finally allowed to go out and buddy. Their main purpose is to help solve arguments between groups of people. Our hardworking interviewers got some inside information from one of these fabulous pupils. Daisy and Josh from P6 were asked why they applied for the role. They both explained that they wanted to make a

difference in the school. We asked them if they could explain some of the pros and cons of the role. Here is what Josh shared with us:

Pros	Cons
Making a difference	Kids can take part in too much play fighting.

Here is what Daisy shared with us:

Pros	Cons
Getting to know other kids.	Kids can fall out.

**“We wanted to make a difference, so we did”**

Daisy P6

# P7 TAKE A TRIP!

## Lockerbie

In case you don't already know, the P7s went on a trip to Lockerbie a few weeks ago and apparently, it was a blast! The P7s went on a 5 day long trip to Lockerbie where they were met by activities, cabins and a week of fun! Mrs Roberts was there on the trip and very kindly agreed to be interviewed by our team.

Mrs Roberts was asked if it is always a good experience when she goes to Lockerbie. She replied by saying that it is always great for the children and she enjoys getting to know the children better. We then went on to ask her if she ever takes part in the activities to which she replied she does if there is space for her! She even went on to explain that when she was in primary school, she had the experience of taking a trip to York. Lucky Mrs Roberts!

---

---

# MEET THE TEACHERS!

Here at Netherlee Primary, we are very lucky to have welcomed some new teachers to the school this year. Our interviewers spent some time getting to know them and we want you to know them too!

## Ms Andrew

"I always wanted to be a teacher when I was younger."

Ms Andrew is one of the P4 teachers along with Miss Holden, Mrs Sneddon, Mrs Dee and Mrs Nicholson. Next year she will be teaching P5.

## Miss Black

"I love working with children because it is great to see them learn.

Teaching is the best job in the world" Miss Black is one of the P3 teachers and works along with Miss McLauchlan, Mrs Newton and Mrs McKinlay.

## Miss Ralston

"I wanted to become a teacher because my P6/7 teacher

inspired me." Miss Ralston joined the Netherlee team as a P5 teacher this year. She works alongside Mrs Keith, Mrs Centola, Mrs Pollock, Mrs Waite and Mrs Weldon.

---

## Miss McCann

Miss McCann recently joined Netherlee Primary as a Principal Teacher. She used to teach at Kirkhill Primary School and is currently working with the Nursery and Primary 1. She explained to us that she used to attend Netherlee Primary as a pupil but is enjoying it as a teacher too! Volunteering at a Primary School is what inspired her to become a teacher. Miss McCann enjoys teaching Drama the most.

## Mrs Donaldson

Before Mrs Donaldson came to Netherlee she was the Head Teacher of Kirkhill Primary School. She came here because of our nursery. She has introduced Pupil Parliament so that more pupils will have roles to play in our school. She wants school trips back just as much as all of the pupils! Her Head Teacher Award was going to be called the Always Award.

Get to know  
Mrs  
Donaldson  
too!

# SPORTS WEEK

## Netherlee's very own Commonwealth!

One of our final whole school activities of the year was Sports Week. Every class took part in a variety of exciting events. Throughout the week each class hosted their very own Finals of races that included the following races:

- Flat Race
- Relay Race
- Egg and Spoon Race
- Sack Race

We saw lots of fantastic teamwork and support from each and every single class. A huge well done to everyone who

took part!

As well as the races, each class also took part in our Crazy Hair Day Fun Walk around Linn Park. The school was so lucky to be accompanied by so many helpful adults to allow this to go ahead.

Finally, to end the week the school hosted their very own Commonwealth Games. The Games (that were postponed) included the following sports:

- Bowls
- Hockey
- Rugby
- Cricket

**“It was fun and exciting and we all had a great time!”  
Scott P6**

On behalf of all the children at Netherlee, the newspaper crew want to say a HUGE thank you to Mr Bryce and Mrs Miller for organising such a fun week.
