

Netherlee Primary School and Nursery Class Parent and Child Improvement Plan 2022-23

Our Values

Courage and Compassion, Fairness and Friendship, Respect and Responsibility

Learning

We are working to make sure that the learning suits every child, using what we know about our pupils to support those that need it most. We are helping our pupils to assess their own work. We are making sure that we challenge our most able learners.

Nurture

We are developing our use of the Lighthouse Room and the Nest to support the health and well being of all our publis.

Play

We are continuing to develop play and child led learning at all stages of our school and nursery.

Achievement

We are looking at ways to ensure that all of our pupils have opportunties to achieve and to share and celebrate this within the school and nursery.

Writing

We are looking closely at how we teach writing to make sure that we support and challenge all of our pupils in the right way for them. We are looking at ways of assessing writing.

Pupil Parliament

We are working to develop our Pupil Parliament to make sure that every child within our school community takes an active part in improving our school.

What we are doing to make Netherlee Primary School and Nursery Class even better.

Professional Learning

We are encouraging our teachers to share their skills and expertise with each other to help develop and improve our practice.

Children's Rights

We are making sure that everyone understands their rights and that these are always respected in our school and nursery. We are making sure that all children have a say in their learning and in the decisions that

Parents and Carers

We are working together with parents and families to help our children in every way we can. We are looking at ways to invite parents and carers into school and nursery as often as possible throughout this session.

Everyone Matters

We are looking at ways to celebrate the variety of cultures and beliefs of our pupils and families within our school and nursery community. We are developing an 'Everyone Matters' group to make sure everyone is included.

Numeracy and Maths

We are enhancing the resources we use to teach Numeracy and Maths and are looking at ways to make our lessons even more exciting.

We are helping our pupils with how to use money in real life situations.

UNCRC

Article 29

Education must develop every child's personality, talents and abilities to the full.

Please note: Detailed version of our Improvement Plan can be found on our Netherlee Primary website.
