

NETHERLEE VALUES: Friendship and Fairness, Respect and Responsibility, Courage and Compassion

Book Week Scotland P1-3

Dear Parents/ Carers

Book Week Scotland will take place from **14th – 18th November 2022**. During the week, P1 pupils will receive a **'Book Bug Family Bag'** and Primary 2 and 3 pupils a **'Read. Write and Count'** pack to take home. These packs contain a gift of books and other learning resources provided by the Scottish Book Trust to promote a love of books, reading and learning at home. I hope that you will enjoy sharing these resources at home with your child.

Throughout the week, each class will have the opportunity to engage in a range of book-related activities, including watching and listening to authors and sharing favourite books and stories. Each day, children in all classes will take part in **PATTER** time (Pupils and Teachers, Together Everyone Reading). Pupils may bring in a favourite book from home to read during this time, if they wish.

I hope that these initiatives will be enjoyable, engaging and continue to promote a life-long love of books and reading for all of our younger pupils.

Your continued support is greatly appreciated.

Kindest regards,

Lorna Wharton

Principal Teacher
