Payment should be made on Parentpay, and this item is now available on your child's parentpay account.

Sizes & Colours Available

We will have a Rail available in Reception from Monday 30th January before and after school for you to try on sizes and look at the colours available. There will also be an opportunity for your child to view the colours and sizes in their classes next week.

The colour range below has specifically been manufactured without a drawcord and are available in sizes 11/12, 13, small, medium and large.

We also have Sky Blue and Yellow options available. Please note these will have the drawcord removed by our supplier and will therefore have holes where the drawcord would normally be. Sky Blue and Yellow will be available in adult sizes small, medium and large,

We understand these are difficult financial times for many, therefore please don't hesitate to get in touch confidentially with me (Mrs Donaldson) if you would like to discuss this and we will always try to help.

As always, please don't hesitate to contact the school office if you require any further information.

Kind Regards

Netherlee Primary School
