### Statement for Skills for Life, Learning and Work:

The totality of experiences which are planned for our learners include the development of skills for learning, life and work. The development of these skills is integrated and embedded into our learning and teaching experiences throughout the school years and into lifelong learning.

**World Thinking Day**  
**Wednesday 22<sup>nd</sup> February 2022**

Dear Parents and Carers,

**Wednesday 22<sup>nd</sup> February** is World Thinking Day; a celebration for all members of Scouting and Guiding. The **22<sup>nd</sup> of February** is an important day for Scouts and Guides worldwide as they celebrate the joint birthdays of their founders, Lord Baden-Powell and Lady Baden-Powell and remember that they are part of a worldwide family. It is also the occasion to remember the Promise that every Scout and Guide will have taken and to reflect on what it is about Scouting and Guiding which brings so many young people and adults together. This year's theme is **Our World, Our Peaceful Future**.

To support and celebrate this worldwide event, any pupils who are committed to these organisations, or any other similar organisations such as Sunbeams, Rainbows, Cubs, Beavers, Boys' Brigade etc. and who wish to, may wear their organisation uniform to school or nursery **on Wednesday 22<sup>nd</sup> February**.

Yours sincerely

Stuart Bryce  
Principal Teacher
