

## Useful Information for Parents/Carers - August 2023

- When children return to school in August, we will continue to operate a **soft start approach** to the school day. All children from Primary 1-7 should arrive at school anytime between 8.50am and 9am and make their way to their designated entry/exit doors to enter the building (see below and map on Page 2).
- A bell will ring at 8.50am to signal the start of soft entry time. If children arrive after 9am, they should enter the school via the main reception doors.
- **New P1 parents and carers can accompany their child to the P1 playground from 8.50am.** All other children (P2-7) should be dropped at the school gates where they can make their own way to their designated entry door. Staff are placed at various points to help children get to class safely.
- A kind reminder to all parents and carers that the school playgrounds should not be used as a thoroughfare and that dogs are not permitted on the school grounds. Thank you.
