Dear Parent / Carer,

ERCL Football Development Nursery Taster Programme

As the organisation responsible for delivering all Culture and Leisure services on behalf of East Renfrewshire Council we have been partnering with your child's nursery to provide an opportunity to experience our football mini kicker programme.

During the recent 4 week curriculum time visit programme your child has been participating in a range of fun based football activities as part of a more general introduction to sport and physical activity.

As this block of curriculum time visits draws to a close, we would like to provide the opportunity for your child to experience our mini kicker programme within the context of our community football programme, which runs as part of a wider offering across East Renfrewshire.

Should you wish to take up the opportunity of a free taster within our mini kicker programme you can register your interest by completing our taster booking form which can be found here; <https://forms.office.com/e/65NYEk0hn0>

Please note, the taster programme booking will be open on Friday 8th September and close on Sunday 17th September. Tasters will be offered during specified dates only on the booking form therefore, please ensure you are available to attend on the date and time selected.

If you have any questions or would like any further information please contact ERCL Football Development; SportsAdmin@ercultureandleisure.org

Kind regards,

ERCL Football Development
