## Scholastic Book Sale 30<sup>th</sup>- 3<sup>rd</sup> November 2023

Dear Parents/ Carers,

Our Scholastic Book Sale is available to visit in the school building from **Monday 30<sup>th</sup> October to Thursday 2<sup>nd</sup> November**. Our Book Sales in previous years have always been a great success! To enable parents/carers to have the opportunity to view the books on sale *before* purchases are made, the Book Sale will be open for parents, carers and families to visit, with their children, at the following times during that week -

<b>Monday 30<sup>th</sup> October</b>	<b>3.10pm- 4pm</b>	<b>Please just come to the main school door and members of staff will show you to the Hub where the books are available to browse and purchase</b>
<b>Tuesday 31<sup>st</sup> October</b>	<b>3.10pm- 4pm</b>	
<b>School Parent Meeting Evening Wednesday 1<sup>st</sup> November</b>	<b>3.10pm- 6.55pm</b>	
<b>School Parent Meeting Evening Thursday 2<sup>nd</sup> November</b>	<b>3.10pm- 6.55pm</b>	

Children will also have the opportunity to visit our Book Sale during the school and nursery day to browse books and stationary however, **purchases will only be able to be made during the times when the Book Sale is open to parents and families as detailed above, and therefore, children should not bring any money into school or nursery**. There is absolutely no need to make any purchases at all and we hope that these arrangements will be supportive of all our families' individual circumstances and ease any additional pressures. Prices of books start at £2.99 and information about some of the books that will be available is provided via the link below-

Unfortunately, we are unable to take electronic payments at the Book Sale, therefore, all payments for purchases require to be made in cash please.

We would like to thank you for your continued support with our Book Sales. We believe that they are an exciting and engaging way to promote reading in children. In addition, any profits made will be used, as they have in the past, to enhance the range of literacy resources and variety of texts that are available for our children to enjoy in school and nursery.

Kindest regards,

Jilly Ford

Principal Teacher
