

Hello Primary 2,

In December, the Primary 2 teachers thought it would be nice to share some of our favourite stories. If you would like to take part in our **Book Advent Calendar** then please bring in one of your favourite story books that we can read altogether as a class.

If you can, please wrap up your book and I will number it. Each day someone will get to unwrap and unveil the book to the class! Whoever it belongs to will take it back home that day.

Please bring your book in **by Friday 1st December if you would like to.**

P2 teachers 😊

*This is entirely optional so please only take part if you want to.

Please also remember that depending on when we open your book, you might not get it back home until Friday 22nd December.

It would be a good idea to pop your name somewhere on your book.*
