Sizes & Colours Available

We will have a rail available in the school reception area from Thursday 25th January before and after school for you to come along with your child to try on sizes and look at the colours available. There will also be an opportunity for your child to view the colours and sizes themselves in class from this date too.

The colour range below has specifically been manufactured without a drawcord to comply with health and safety regulations and are available in sizes Age 11/12, 13 and small, medium and large.

We also have Pink, Cornflower Blue and Yellow options available. **Please note though that these will have the drawcord removed by our supplier and will therefore have holes where the drawcord would normally be.** These are available in sizes small, medium and large.

We know that our children love having their hoodie to wear in school during the summer term. We also understand these are difficult financial times for many therefore, please don't hesitate to get in touch confidentially with Mrs Donaldson by phone or the usual email address if you would like to discuss this and we will always do our very best to help.

As always, please don't hesitate to contact the school office if you require any further information.
