

NETHERLEE VALUES: Friendship and Fairness, Respect and Responsibility, Courage and Compassion

School FUNdraising

With so many challenges packed into Sports Week, we are going to create a **FUN**draising opportunity to help us raise some more school funds. We will host our annual fun run with a Superhero element for our younger children and an *optional*, competitive element for our Primaries 4-7.

Every child will take part in a house challenge in at least one sport such as Kwik Cricket, Orienteering and Capture the Flag and with your donations, we hope to plan even more exciting learning opportunities for our children.

Our school fund this year, alongside our wonderful PTA funds as well, have helped to buy lots of playground equipment for the children to enjoy at break and lunch time, which have been very much appreciated by the children.

"I love playing with the new scoops and balls. It has made play time even better!"

"I would say it's definitely been more fun because we have all the new things."

School funds have also bought ingredients for our children to enjoy food technology and additional resources for the pitch so thank you for your previous contributions!

We would be very grateful of any donations for further outdoor games and resources. You can make a donation via ParentPay, which will go live on Monday or make a single donation at any of the donation buckets that will be available during our Family Sports or Race Days. Thank you once again for your continued support and generosity.

NETHERLEE VISION: Our Netherlee Community Working **With and **For** Our Children**
