

Virtual Future Engineers Work Experience

Babcock at Her Majesty's Naval Base (HMNB) Clyde, Rosyth and Cavendish Nuclear have an exciting opportunity for pupils aged 14-15 to undertake a virtual work experience week as part of our Future Engineers Programme.

Virtual Future Engineers Programme

- › The programme will consist of a collaborative team project that will give an insight into the engineering industry and what it's like to work at Babcock at HMNB Clyde, Rosyth or Cavendish Nuclear. Join in and listen to presentations from members of our highly-skilled and experienced engineering teams.

Our Virtual Future Engineers Programme will take place over five days from 20-24 June.

For more information relating to our 2022 Virtual Work Experience Programme or to submit your application form, please email:
earlycareers@babcockinternational.com

* Please note that for our 2022 Future Engineers Programme, the closing date for applications is **29 April**
