J.P. Morgan GenerationTech is coming to Glasgow Again

We are pleased to announce that GenerationTech is returning to Glasgow on **Saturday 3rd Sept – Tue 21st Sep.**

GenerationTech is a **J.P. Morgan** 3 week **design-based technology challenge** where your students work in teams to design a solution for a **U.N. Sustainable Development Goal**. They will learn new transferable aptitudes such as teamwork, communication, technology, design and presentation skills and have the opportunity to win some **cool prizes**. Students will be supported by JP Morgan Technologists, to leverage technology to address a social good challenge. Opening and closing ceremonies will be in-person, with an additional two one-hour virtual meetings with team mentors.
