

Get Ready for Medicine

Work Experience Workshops

Royal College of Physicians and Surgeons, Glasgow

Friday 7th October 2022*
(morning or afternoon session)

Half-day workshops offering an insight into different aspects of a medical career – including practical skills, simulation and medical school style tutorials in small groups. Open to anyone living in the Greater Glasgow and Clyde region applying to medical school in October 2022.

Priority will be given to candidates who have not attended another formal work experience programme.

Workshops to include:

- Basic Life Support
- Blood-taking on simulation manikins
- Ethics Scenario Tutorial and Table-top Simulation
- Q&A with current medical students and doctors
