Dear Mr Bradshaw,

I would like to thank you for the donation of £125 made to St Margaret's recently sent to us from your school.

Once again, as we continue with our mission to promote adoption as a life changing experience for those children who need a new and permanent family, it is of great encouragement to us that we continue to be supported by the Catholic community.

On behalf of all involved with St Margaret's I would like to express our gratitude to you and your school for your encouragement and for the donation.

Yours faithfully

A handwritten signature in blue ink that reads "Paula Harkins".
