

# Religious Founders Where Was the Body?

The New Testament states that Jesus was placed in a tomb late of Friday afternoon. It also states that the Sabbath (The Jewish day of rest) was about to begin. There was little time to anoint the body of Jesus and bury him properly, therefore he was laid in a tomb.

On Sunday morning, after the Sabbath had ended, some of his followers arrived to anoint his body and found that the tomb was empty.

**What could have happened to Jesus' body?**
