

S1 ASSEMBLY

28 August 2018

School Prayer

Jesus, as a child you grew in learning and wisdom.
Bless Saint Ninian's High School,
a community of faith and love
where young people learn,
work and grow together.
Help us to make our school a place
where teachers are valued for their dedication;
where pupils are encouraged
to develop their talents
and where all
staff, young people pupils and parents -
work together
in trust and friendship.
Live among us now and forever.

Amen

Hail Mary

Hail Mary full of Grace, the Lord is with thee. Blessed are thou among women and blessed is the fruit of thy womb Jesus.

Holy Mary Mother of God, pray for us sinners now and at the hour of our death
Amen.

Eucharistic Adoration

12:20-1:00 every Friday in the Oratory

All pupils are encouraged to give 10 minutes each week – there will be a pupil rota for each week's Adoration - please speak to your Year Head, Mr Bradshaw or the Head Teacher to confirm your attendance.

"The best, the surest and the most effective way of establishing everlasting peace on the face of the earth is through the great power of Perpetual Adoration of the Blessed Sacrament."

Blessed John Paul II

Venerable Margaret Sinclair Novena

There is a Novena in the Oratory every Monday at 12.40pm asking for the intercession of the Venerable Margaret Sinclair.

Our main intention will be for members of our school community – including family and friends – who are ill.

We hope that parents, families and friends will be able to join us for this Novena.

We would also invite anyone who cannot manage to our Oratory at this time to join with us in prayer.

The Rosary

Join us to pray The Rosary every Friday in the Oratory, 12.25 – 1pm.

The Rosary is a prayer we can all say together with Mary, the Mother of God, who always grants our request.

*“The Rosary is my favourite prayer.”
“Pray, pray much. Say the Rosary everyday”*

Cycling Fun!

"Recently we have tried out cycling as part of PE and everyone really enjoys it! Cycling helps with balance and control and we do this by using cones to cycle in and out by using our balance and small controlled movements.

Cycling can also help with co-ordination and building strength while enjoying it and having fun! It improves mental wellbeing because you become happier!

Your energy levels rise resulting in enthusiasm towards learning at school, giving you a mental boost. Cycling doesn't feel like the most difficult type of exercise, making it a lot more fun even although it's working the various muscles in your body, without even realising."

Our Father

Our Father, who art in heaven, hallowed be thy name; Thy Kingdom come, Thy will be done on earth as it is in heaven.

Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil.

Amen.
