

St Ninian's  
High School

# S6 STEM Leaders

**St Ninian's  
High School**

**Do you enjoy studying Science, Technology, Engineering and Maths subjects?**

**Are you interested in a STEM career or a career in teaching?**

**Would you like to gain experience by volunteering in local Primary and Nursery schools?**

**Do you need volunteering hours to achieve an award this year? (Caritas etc.)**

## Being a STEM Leader you will...

- Visit a local primary or nursery school regularly
- Assist teachers in delivering lessons with a STEM focus
- Lead small activities / master classes with pupils
- Share your knowledge and experience
- Develop your communication skills
- Increase your confidence when working with others
- Gain valuable experience which will improve your CV and Personal Statement

## When?

- Links are being made with at least 6 local primary and nursery schools
- Visits will begin in August / September
- Visits will be weekly and will tie in with your timetable
- You must be committed!

## How to get involved...

- Please complete an S6 service form and specify that you would like to assist with STEM
- This information will be added to the record of S6 service
