

# MEET the TEACHER

SEPTEMBER 2020

# Ms Perry AND P6

We have all settled well back into the routine of Primary 6. Everyone has been enjoying the new learning and the challenges that have been set.

# Numeracy

In Numeracy, homework will reinforce the learning in school so it is important that pupils complete their tasks and practice applying their learning independently.

Multiplication facts, number bonds and telling the time could also be revised orally while filling the dishwasher, walking the dog or tidying up.

# Literacy

In literacy, it is important that children are preparing their set text throughout the week.

This includes checking the meaning of unfamiliar words as well as reading the punctuation, both will help with the understanding of the text. Reading, watching and listening to a text of their choice will also expand their vocabulary, which they can use in their own writing. BBC Newsround is a great resource for this as are the various clips that can be found on BBC Bitesize.

# Growth Mindset

When completing any tasks, children are encouraged to have a growth mindset. Please encourage your child to think positively about their tasks.

Ask them for some examples to fill these gaps.

“Instead of thinking.....I'll try thinking..”

Think ahead, not just to the future but

*‘To infinity, and beyond.....’*

# KEEPING EVERYONE LEARNING SAFELY

- Each morning early entry is from **8.45am** with Mrs Absolom, Callaghan, Mrs Pinna and Mrs Cooper welcoming everyone
- Hand washing in class
- School day starts at **9am sharp** – try to be on time as every learning minute counts!
- Pupils remain in the same seat each day, to maintain social distancing
- At playtime, classes stay in their zone
- Pupils can buy Tuck at playtime or bring a healthy snack
- Children wash their hands regularly throughout the day
- Adults keep 2m apart from children and other adults
