# Prayer at Start of New Academic Year

Lord Jesus, I ask for Your help as I begin this new school year.

Allow me to experience Your presence in the many blessings You put before me.

Open my eyes to the new challenges and exciting opportunities that this new school year brings.

Open my heart and mind to new friends and new teachers.

Give me a generous spirit to be enthusiastic with my studies and courage to accept new opportunities.

Help me to be attentive to my teachers and let me experience Your presence in my new friends.

Jesus, inspire me to do my best this year!

Amen

# Maximum not Minimum Requirements

- Places at universities becoming more scarce
- Universities don't want to see a dip in effort/performance between school and university
- Offering stricter conditional offers
- Development of the 'whole person'
- Everyone is multi-talented with effort (Growth Mindset)
