Dear Parents

SGOIL ARAICH LOCH A TUATH – INCREASED PROVISION

As you may be aware The Children and Young People Bill was published on 18th April 2013. By August 2014, local authorities will be required to increase provision from the 475 hours of funding pre-school education currently delivered, to 600 hours of free early learning and childcare.

We currently operate from 9am-12noon, 5 days a week = 15 hours a week. These hours would increase to 15 hours and 50 minutes a week. To accommodate these changes we would need to extend the daily sessions.

Please complete the slip below with your preference and return to the school office by Thursday 12th December.

Please forward this letter to any parents of children who may start at Sgoil Araich Loch a Tuath in August 2014.

Yours sincerely
