TO ALL PARENTS

Dear Parents,

VISION, VALUES AND AIMS

An important part of the Curriculum for Excellence is to ensure that all schools have a Vision, a set of shared values and a set of aims which underpin all tasks within the school.

Previously, my predecessor Mr Donald Macleod worked with pupils, parents and staff to develop an excellent vision for the school. Ag Ionnsachadh Comhla – Learning Together encompasses much of what we would wish to say about learning and teaching activities in Tolsta School.

The time has now come for us to refresh the values of the school.

To that end I have included a Values Chart exercise with this letter. The instructions for this exercise can be found at the top of the page. This is an exercise which I have already carried out with Pupils and Staff and I am now looking for input from our parent body. **I would be grateful if this sheet could be completed and returned to Tolsta School Office by Friday 29th November 2017.** I will then be able to complete the Values exercise and draw up draft Values for the school which can then go back out to all for consultation.

I hope that you will take some time over the next few days to consider which of these values are important to you when you think about Tolsta School. I shall look forward to receiving returns from all families connected with the school and coming to a set of shared values for all those connected to the school.

Leis gach durachd,

Kirsteen J. Maclean
Head Teacher
