TO ALL PARENTS

Dear Parents,

VISION, VALUES AND AIMS

I would like to thank those parents who participated in the Values exercise I issued in late September 2017. At the conclusion of that exercise, carried out with pupils, parents and staff, I collated the results and was able to identify the top thirty values from pupils, parents and staff.

At this juncture, I am enclosing another Values Chart exercise with this letter. The values which are on the chart are the top thirty values from the first exercise. I would be grateful **if parents would choose eight of the thirty** values by placing a tick in the corresponding box and **return their forms to Tolsta School Office by Tuesday 14th November 2017** in order for us to come to a final list of school values, hopefully before the end of term.

I hope that you will take some time over the next few days to consider which of these values are important to you when you think about Tolsta School. Should both parents wish to complete this exercise please do so but I would ask you to use different coloured pens.

I shall look forward to receiving returns from all families connected with the school and coming to a final set of shared values for all those connected to the school.

Leis gach durachd,

Kirsteen J. Maclean
Head Teacher
