COMHAIRLE NAN EILEAN SIAR

SGOIL A' BHAC SCHOOL HANDBOOK - DECEMBER 2024

Welcome from the Head Teacher

I would like to welcome all parents and children to Sgoil a' Bhac.

This handbook is designed to give parents and carers an insight into our school, our priorities and expectations. I hope that you find it helpful and informative. At Sgoil a' Bhac we are dedicated to supporting the needs of our pupils and ensuring that high quality learning and teaching supports the children in becoming:

- ◆ Confident Individuals
- ◆ Effective Contributors
- ◆ Responsible Citizens
- ◆ Successful Learners

**Curriculum Rationale**

At Sgoil a' Bhac, our curriculum aims to embrace the ethos, values and principles of the *Curriculum for Excellence*. In doing so, we aspire to provide inclusive, broad and challenging educational experiences for our children, both in Gaelic and in English from Sgoil Araich to P7.

As well as providing a broad education that offers depth, challenge and enjoyment, we want our curriculum to focus on:

- ◆ Understanding the history and heritage of our local community
- ◆ Promoting Gaelic language and culture in Gaelic and English classes
- ◆ Using the landscape and environmental resources surrounding the school
- ◆ Instilling strong values, respect and a positive ethos
- ◆ Making links with parents and the wider community

In addition, we aspire for the curriculum at Sgoil a' Bhac to:

- ◆ Encourage involvement and engagement from all children
- ◆ Help and support children in reaching their full potential
- ◆ Set high expectations for all
- ◆ Instil an ethos of confidence, success, respect, responsibility and achievement
- ◆ Help children to understand their community and their place within it
- ◆ Provide children with the skills needed for learning, life and work
- ◆ Give opportunities to celebrate success and achievement within and out-with the school

Please don't hesitate to contact me at the school should you wish to discuss any aspect of your child's learning or experiences at Sgoil a' Bhac.

Kirsteen J. Maclean

Head Teacher

Sgoil a' Bhac

December 2024

Please Note: Information in this school handbook is considered to be correct at the time of publication (December 2024), however, it is possible that there may be some inaccuracy by the start of the school term in August 2025. Please contact the school office or visit our website for the latest information.

CONTENTS**Section One – Practical Information about the School****Page 5**

This section provides you with some background information on Sgoil a' Bhac. It deals with the practical aspects of your child's attendance at our school. It provides details on such things as:

- ◆ the school day and school year
- ◆ how to contact the school if your child is ill
- ◆ travelling to and from school
- ◆ school meals
- ◆ financial assistance with school clothing, transport and school meals
- ◆ school closures in an emergency or unexpectedly for any reason
- ◆ general supervision available for your child in the morning and at lunch time
- ◆ wet weather details
- ◆ how the school communicates with parents
- ◆ how to complain if you are not happy about something
- ◆ an overview of school policies.

Section Two – Parental Involvement in the School**Page 15**

This section contains information about how parents can be involved in supporting learning at home as part of a home - school partnership.

You can also find out more about the ethos of the school, what our values are and our aspirations for our pupils including how we celebrate pupil success, links we have with partner organisations and the wider local, national and international community.

Lastly, it includes information on our Parent Council, how to contact them and how parents can get involved in the life and work of the school.

Section Three – School Curriculum**Page 23**

This section describes how the curriculum is planned and delivered in the school including the range of subjects your child will be learning. It also includes information on how pupils develop skills for learning, life and work including literacy, numeracy and health and wellbeing in and out of the classroom.

As well as giving you information about the statutory curriculum requirements we have included details on sports and outdoor activities available to pupils and the range of facilities available within the school.

Details of how parents will be informed about sensitive aspects of learning e.g. relationships, sexual health, parenthood and drugs awareness are included as well as information about religious education and observance and arrangements for parents who wish to exercise their right to withdraw their child.

This handbook also tells you how we will report on your child's progress and what written reports may be sent out to parents.

Section Four – Support for Pupils

Page 30

This section gives information about how pupils' additional support needs will be identified and addressed and the types of specialist services provided within our school. This handbook also explains who to contact for more information if you think your child has additional support needs.

This section also gives information about transition – from primary school to secondary school – what the arrangements are and contact details of the secondary high school to which our pupils normally transfer. There are also details about making a placing request to another school.

Section Five – School Improvement

Page 35

This section gives you an overview of the main achievements of the school within the last twelve months and performance information relating to literacy, numeracy and health and wellbeing.

While Comhairle nan Eilean Siar is happy to provide this information, we do have some reservations that the publication of raw statistics, without any kind of informed qualification, can be misleading to the reader. In particular, they should not be construed as offering an indication of the quality of education provided in any of our schools.

We have also shown where you can get further information about our plans for the next three years to improve our performance and how the school will involve parents in that improvement.

We hope you find all of the information helpful and self explanatory. If you have any queries about any of the information contained in this handbook, or indeed about any aspect of our school, please do not hesitate to contact the school.

P6 and P7 pupils using Microbit coding software to create their own codes.

About the School

We provide education from Nursery to Primary 7. We teach through the medium of Gaelic and English. School roll information is provided below for December 2024.

	Sgoil Araich	P1	P2	P3	P4	P5	P6	P7	Total
English	16	9	8	9	10	11	8	8	63
Gaelic	13	5	9	11	7	6	6	13	57
Total	29	14	17	20	17	17	14	21	149

PRIMARY			
ENGLISH		GAELIC	
GL1-2	17	GM1-2	14
GL3-5	24	GM3-5	24
GL5-7	22	GM6-7	19
TOTAL	63	TOTAL	57

Organisation of the School Day**Sgoil Araich Loch a Tuath – Typical Daily Schedule**

Provided below is a typical daily schedule for the pre-school provision within Sgoil Àraich Loch a' Tuath. Currently the hours for nursery provision are as follows:

Sgoil Araich: 8:30am - 4:30pm

English Nursery: 8:30am - 3:00pm

TIME	ACTIVITY
8.30 – 9.00	Registration Morning Routines
9.00 – 9.50	Free play / Children's Choice Outdoor play/walk
9.50 – 10.10	Literacy and Numeracy / Circle time / Story time Name recognition, day, weather, colours, numbers
10.10 – 10.40	Snack / Tidy Up / Preparation for going outside
10.40 – 12.00	Outdoor play/learning
12.00 – 12:15	Smartboard and ICT Go Gaelic/Gaelic videos
12.15 – 12.45	Lunch
12.50 – 2.15	Outdoor Play and Learning
2.15 – 2.45	Snack / Tidy Up / Afternoon Routines
2.45 – 4.30 (EM Room only till 3pm)	Free play Arts & crafts / Smartboard Activities

Primary Classes – Typical Timetable

Provided below is a typical weekly timetable for Primary Classes in Sgoil a' Bhac.

DAY/TIME	8:40-10:20	10:20-10:40	10:40-12:20	12:20-1:20	1:20-3:00
Monday		BREAK		LUNCH	
Tuesday	ART	BREAK	ART	LUNCH	
Wednesday		BREAK		LUNCH	BRASS INSTRUCTION
Thursday	ASSEMBLY (fortnightly) FIDDLE INSTRUCTION	BREAK	FIDDLE INSTRUCTION	LUNCH	CHANTER INSTRUCTION
Friday		BREAK		LUNCH	

Attendance and Absence

Regular attendance is crucial to a child's learning. Daily attendance is recorded electronically by staff and parents are asked to telephone the school/Sgoil Araich **before 9.00am** if their child is absent.

The school office will use either a telephone or automated Groupcall message to contact any parent whose child has not registered that day, and for whom no reason has been given for absence.

Attendance Percentage Bands	
98-100%	Excellent
96-97.9%	Very Good
94-95.9%	Good
90-93.9%	Satisfactory
Below 90%	Causing Concern

Parents are discouraged from withdrawing pupils for holidays during term-time. Any absences that are known about in advance should be notified to the school office and an 'Intention to Withdraw' form completed. This form is available from the school office or can be downloaded from the school website. Please note that, unless there are exceptional circumstances, all such absences will be recorded as 'unauthorised' during term time.

The Head teacher monitors attendance regularly and where attendance falls below 90% or if there are patterns of persistent lateness, without reasonable explanation, the school will contact the parents to highlight concerns. The Head Teacher also completes a monthly audit of attendance percentages and reasons for absence as part of the school's quality assurance programme.

GM7's film "Fuirich air Falbh" won the prize for the Best Youth Group (under 18) at the national Film G Awards held in Glasgow in February 2024.

These dates are subject to change. Please check with the school office or on our website for the latest information.

School Uniform

The pupils, parents and Parent Council of Sgoil a' Bhac support the wearing of school uniform.

The Uniform

Navy sweatshirt, cardigan or pullover with school logo and white polo shirt with school logo or white [formal] shirt with navy school tie.

Trousers and skirts may be black, grey or navy.

School fleece jackets and knitted hats are also available.

PE Kit

T-shirt and shorts or jogging trousers (* **School sweatshirts must not be worn**)

Jewellery must not be worn during PE classes.

We also encourage all our pupils to change into their PE Kit for PE and not to sit in the same clothes all day. Sports Tops made of a breathable material can also be purchased via the School Office. These have the school logo on the front left and also bear the name of the school on the rear of the top.

All items come with the school logo on. Sweatshirts, cardigans, pullovers, jackets, hats and ties are navy and the polo shirts and t-shirts are white. Sports Tops are royal blue with white writing.

School uniform can be purchased from our supplier Leonard Hudson using the following link:

https://www.leonardhudson.co.uk/parents/uniform/Back_School_HS2_OLB

Sports Tops are purchased from a different supplier and orders are placed via the school office. The school office will communicate with parents when orders are due to be placed.

Footwear and Clothing Grants

All parents in receipt of Family Credit or Income Support are eligible for a clothing grant to ensure that their children are able to make use of educational provision. Application forms for clothing grants can be found on the Comhairle nan Eilean Siar website: <https://cne-siar.gov.uk/home/education/forms/>

School Meals

School menus offer healthy and tasty meal options which reflect the Scottish Government food and drink legal requirements for school lunches. Children of parents in receipt of Income Support are entitled to free meals.

School meals cost £2.19 per day and consist of a main meal with a pudding or fresh fruit. An alternative is also offered each day which consists of soup and a sandwich along with the pudding or fresh fruit.

The canteen operates a four week menu rotation that is refreshed on a regular basis. The current menu cycle is available from the school office or on our website.

Since January 2015, the Scottish Government has funded free school meals for all pupils in P1 -5.

The school operates Cashless Catering, overseen by CnES. Parents complete a Cashless Catering form to identify which method they wish to use for school meals payment and to give consent for fingerscans. School meal accounts may be credited by going online and using Parentpay (www.parentpay.com) or any Paypoint outlet (e.g. Back Post Office, Co-op, Spar, Campbell's Service Station, Cearns Community Shop or Engebretsens). Pupils who are entitled to free school meals will receive an automatic credit on their accounts and will use the system in the same manner as other pupils. Safeguards can be built into the pupils' accounts limiting the amount per day a pupil can spend. Any parents who wish to use this security should inform the school. **Parents should monitor spending at least once a week, to ensure that accounts do not go into debt.** Accounts which are low/overdrawn e.g. £0.10-£10 will receive written notification from the school. Unpaid debts will be forwarded to CnES Debtors for pursuit.

Parents who wish to apply for free school meals can complete the application form, which can be found on the Comhairle nan Eilean Siar website: <https://cne-siar.gov.uk/home/education/forms>. A free meal constitutes the equivalent of a two course meal and this can include filled rolls, salads, various main course items, accompanied by vegetable, side salad and potatoes as the first course and a choice of cold/hot dessert, yoghurt/fresh fruit etc as a second course.

Children are entitled to a free lunch meal where they are:

- ◆ a pupil in P1-5
- ◆ children of families who receive Income Support;
- ◆ children of families who receive Income Based Job Seeker's Allowance;
- ◆ children of families who receive support under Part VI of the Immigration and Asylum Act 1999;
- ◆ children who receive Income Support or Income Based Job Seeker's Allowance in their own right;
- ◆ children of families who receive Child Tax Credit but do not receive a Working Tax Credit and who have an annual income (as assessed by the Inland Revenue) of below £13,480.

Pupils who bring packed lunches can eat their lunch in the canteen along with the other pupils.

Travel to and from School

Primary school children living two miles or more from school are entitled to free transport. Children who are not eligible for free transport will have to pay a contribution towards the cost of transport if they make use of it. It will be possible for parents to:

- ◆ buy weekly books of tickets; or
- ◆ purchase a termly pass; or
- ◆ purchase a session pass.

Payment for the above can be made by direct debit if parents wish. The overall price is the same regardless of which method parents choose – in other words, there is no cost penalty for choosing to pay weekly or monthly. There is also a system of stepped discounts for families with more than one child travelling to school.

It is the parent's responsibility to make sure their child arrives at the pick up point on time and behaves in a safe and acceptable manner while boarding, travelling in and leaving the vehicle. Children who misbehave can lose their right for home to school transport. For more information for buying tickets and costs contact the Education, Skills & Children's Service Dept, Comhairle nan Eilean Siar, on 0845 600 7090.

Discipline on School Transport: Code of Conduct Relative to Pupils' Behaviour

The driver will be responsible for maintaining the good conduct of pupils.

- (a) In the event of misbehaviour by any pupil(s) the following action should be taken:
- (i) drivers should stop the vehicle;
 - (ii) give a warning to those concerned;
 - (iii) drive on.
- (b) If this warning has no effect:
- (i) the driver should stop again;
 - (ii) take the names of the offender(s);
 - (iii) report the nature of the misbehaviour to the Head Teacher, as soon as possible and not later than 24 hours after the occurrence of any misbehaviour.
- (c) A driver shall not put a pupil off a bus for misbehaviour. In the event of severe misbehaviour by a pupil, which affects the safety of the other pupils, the driver should: seek assistance from the company staff, school staff, the police or by any reasonable means.

It should be noted that when a driver is required to warn and/or take the name of a pupil because of misbehaviour the pupil can not be set down at a location other than that indicated by the Comhairle on that particular journey. If the child concerned has to be excluded from the vehicle, the driver will be informed by the Director of Education and any decision to exclude a pupil from the vehicle will be confirmed in writing.

No smoking is permitted on the vehicle. Drivers should endeavour to ensure that this is enforced. For more information on bus times/timetables, see the Comhairle nan Eilean Siar website for bus timetables:

<https://cne-siar.gov.uk/home/bus-services/lewis-bus-timetables/>

Communication with Home

From time to time your child will bring home important and routine communications from the school. Parents are encouraged to check their child's schoolbag for the communications. The school office uses Groupcall as its principal means of communication with parents whilst class teachers use Seesaw as an additional means of communication with parents. If you have an email address the school would prefer to send letters by email to parents as a form of communication. The school also uses Groupcall as a means for checking any unexplained absences in school. It is the parents' responsibility to ensure that the school has the most up-to-date information with regards to phone numbers, address and email address. Communication information is also available on the school website.

Unexpected Closures

It may be necessary, occasionally, to close the school at short notice and send the pupils home, for example, in case of exceptionally bad weather, electricity or heating faults. Parents will be notified by Groupcall in the first instance, but the local authority website <https://www.cne-siar.gov.uk/> (Public Notices) and local radio stations will also carry updates. In the case of electricity faults we will use analogue/mobile phone to phone parents. If parents are not regularly at home during school hours, they should always make arrangements to have someone available to receive their children should such an emergency occur. The school will ask each parent at the point of enrolment to provide the address and/or telephone number of a person who can be contacted in these circumstances. **Please ensure this information is kept updated and notify the school of any changes.**

Parents should also feel free to contact the school if they are concerned about the safety of the children because of severe weather conditions and are free to call for them at any time.

The main School Office number is (01851) 820 230. In the event of electrical failure, the analogue back-up number is (01851) 820 866.

Mobile Phones

Sgoil a' Bhac generally discourages parents and pupils from bringing mobile phones or other valuable items to the school on the grounds that they may get lost or stolen. If a phone or other valuable item is brought to the school, parents are advised that, where possible, the items should be marked in some way to aid future identification if lost and subsequently found.

If a pupil does bring a mobile phone to school, **the phone must remain switched off during the school day and may not be used on school premises, grounds or during off-site school curricular activities** (such as swimming or other sports activities). The only exceptions to this will be on school trips, where the school will have discretion to allow pupils to carry and use phones if they wish (e.g. during planned solo activities), in emergencies or with the express approval of a member of school staff.

If a pupil is found by a member of staff to be using a mobile phone for any purpose, without authorisation, the phone will be confiscated from the pupil and will generally only be returned to the pupil's parent. However, the phone may be returned directly to the pupil:

- ◆ on a first breach, if it is clear that the pupil did not understand the school's policy on the use of mobile phones; or
- ◆ in a situation where there is genuine concern that the pupil requires the phone directly after the school day on security, health and safety or similar grounds; or
- ◆ on receipt of a signed authorisation from the parent, where travel or other issues make it difficult for the parent to attend the school to receive the phone.

Complaints, Comments and Suggestions Procedure

We are keen that you should be completely satisfied about your child's education and we encourage feedback from parents and pupils. We are, therefore, interested in feedback of all kinds, whether it be compliments, suggestions or complaints. If you have a complaint about the school, please let us know. It is better that these things are shared openly and resolved fairly rather than being allowed to damage the relationship between the family and the school. There will be no negative consequences arising from making a complaint and we will deal with the issue as confidentially as possible. If we have made a mistake we will apologise quickly and clearly and try to put things right.

There are some things which you should take note of in relation to making a complaint:

- ◆ Please make any complaints initially to the Head Teacher. This makes sure that the school knows what is going on and has an opportunity to respond and resolve the issue.
- ◆ If you are unhappy with the service or with our response then you will have the right to take the matter further. You can put your complaint in writing or fill in a complaint form online. Completed forms should be sent to: Director of Education, Skills and Children's Services, Comhairle nan Eilean Siar, Sandwick Road, Stornoway, Isle of Lewis, HS1 2BW
<https://www.cne-siar.gov.uk/have-your-say/complaints/>
- ◆ If you are still unhappy after further investigation and reply you can take the matter up with the Scottish Public Services Ombudsman. The reply will include the contact details.

Medical & Health Information

Medical Care for Pupils

The school has a dedicated medical room and four members of staff who are trained First Aiders. Details of pupils with specific health issues are issued to relevant staff, with copies held centrally for emergency access. Written parental consent is required for the administration of any medication. If you wish for the school to administer any medication to your child you must contact the school office for a Medical Authority Form or download it from the school website. Under normal circumstances, no medication may be given to pupils without a completed form. If your child has a specific medical condition, please inform the school immediately

On occasion the school works with external agencies such as dental service, speech therapy, physiotherapy and others to support health matters.

Asthma Policy

Our aims are to ensure a child's education is not affected by his/her asthma and our procedures are in line with CNES/NHS Western Isles School Asthma Policy.

The school will:

- ◆ ask parents to provide information and spare inhalers (ICP 1 Consent Form; ICP 2 Form; Letter to parents – see Appendix 1, 2, & 3, or request a copy from the school office)
- ◆ keep a register of all pupils identified as having asthma
- ◆ ensure any pupils with serious asthma have an Individual Health Plan (decision taken by health professional)
- ◆ ensure all staff know who has asthma, and the common symptoms and triggers
- ◆ store spare inhalers, each marked with pupil's name, in the medicine cupboard
- ◆ ensure pupils carry inhalers on trips/excursions

Other School Policies**Homework**

Pupils, at all stages, are encouraged to have a homework routine each evening and should use the Homework Diary provided by the school to record details of any work set. Teachers and parents also use the diaries to communicate any information which may be useful e.g. whether a child is travelling home on the bus or being picked up from school. Staff in both Sgoil a' Bhac and Sgoil Araich Loch a' Tuath use Seesaw - a classroom application which is used by staff to communicate with parents and also to share the learning journey of the children with their family members. Consent for this is sought before class teachers and nursery staff use it and help and guidance is given to parents by staff on what they should do to access their child's profile. Parents are encouraged to support their child as appropriate to their age/stage. In the event of a prolonged absence, parents should contact the school to arrange for work to be sent home.

Pupil Care and Welfare Policy**- Rationale**

Sgoil a' Bhac endorses CNES policies and guidelines in the care and welfare of pupils. At Sgoil a' Bhac pupil care and welfare is a principal concern of all staff. A caring, happy environment is a good learning environment. Pupils who feel safe, happy and secure in a caring learning environment are more likely to fulfil their educational potential.

SGOIL A' BHAC VISION, VALUES AND AIMS**- Vision**

The vision of the school is:

“Ar Sgoil • Ar n-Ionnsachadh • Ar Lèirsinn—Our School • Our Learning • Our Future”.

- Values

Following a consultative exercise with pupils, parents and staff the values of the school were refreshed. The shared values of Sgoil a' Bhac are:

**Friendship
Teamwork
Respect
Learning
Achievement
Fairness
Kindness
Enjoyment**

- Aims

The Aims of the school are as follows:

- ◆ Raise attainment by providing high quality learning and teaching experiences in a safe and secure environment enabling pupils to enjoy their education and develop positive attitudes towards learning.
- ◆ Create a warm and welcoming ethos in the school, promote positive behaviour and the school values and celebrate all achievements.
- ◆ Provide appropriate support to children in all aspects of their learning and wider achievement, promote a physically active and healthy lifestyle and encourage pupils to develop their skills, creativity, talents and personalities.
- ◆ Work in partnership with pupils, parents and the wider community to foster a sense of belonging and nurture an appreciation of our languages, culture, heritage and traditions.

SECTION TWO – PARENTAL INVOLVEMENT IN THE SCHOOL

Parents Welcome

Our school welcomes parental involvement as research has shown that when parents are involved children do better in school. Everyone benefits (children, parents and teachers) when parents and schools work effectively together to support learning. There are 3 aspects of parental involvement:

- ◆ supporting learning at home
- ◆ improving home/school partnerships
- ◆ parental representation

We have an 'Open School' policy where the teachers and the Head Teacher are available to talk to any parent at a pre-arranged time. If you wish to contact the school to make an appointment you can either phone on 01851 820 230 or email the school on backschool@gn.es.net. The school will respond within 24 hours if there is a query from any parent, whether by letter, phone or email.

Security

We are required to abide by health and safety requirements relating to visitor access to the building. It is a strict requirement that **ALL** visitors, including parents, report to the school office and sign in before progressing through the building. Access to the building must only be by the main entrance.

Parental Involvement

We look forward to building strong working relationships with our parents as this will best support our children's progression. We hope parents/community members will visit the school often and take as active a part in the school as they can. Adult helpers contribute to the variety of educational experiences, while local knowledge and personal strengths add greatly to project work.

As well as coming to us for Parents' Evenings or informal visits regarding your child's progress, we hope to see you at any workshops and information sharing sessions that may be held over the school session.

Pupils have home/school diaries and Seesaw Profiles and these help keep parents and school up-to-date on issues such as homework and classroom activities.

Regular letters and newsletters keep you informed of the life of the whole school. We would be grateful if you would check your child's schoolbag for any letters sent home from us and ensure that returns are sent back promptly. Diaries and newsletters are used to communicate with parents and the Groupcall system is used to email parents and also to issue reminders of meetings, parent evenings, concerts, etc.

The school has a website (<http://bit.ly/sgoilabhac>) which contains useful information about our school. In addition, the school has social media accounts with Facebook and Twitter where news and bulletins are regularly posted.

Website - <http://bit.ly/sgoilabhac>

Facebook – www.facebook.com/sgoilabhac

Twitter - @sgoilabhac

The Scottish Schools (Parental Involvement) Act was introduced in June 2006. The Act places duties on local authorities to:

- ◆ Involve parents in their own child's education and in the life of the school generally
- ◆ Give advice and information to parents in respect of their own child
- ◆ Promote the establishment of Parent Councils in schools and support their operation
- ◆ Establish a complaints procedure for their duties under the Act.

In response to the duties of the Act, the CnES Education Department, with the help of parents, drew up a Parental Involvement Strategy. You can find a copy of this on the council's website within the Education pages.

Parental involvement is a key component of our pupils' learning experience. In addition to the Pupil-Led Parents' Evenings, parents (and grand-parents) are invited to Open Days and Assemblies. Parents support the school by occasionally sharing their expertise in classrooms.

Parental evaluation questionnaires are completed at key events and we seek the views of parents, through confidential questionnaires, at the end of each session.

Parent Council

Parent Councils help parents to become more actively and effectively involved in their children's learning. They were established under the Scottish Schools (Parental Involvement) Act 2006 in recognition of the important role that parents can play, both in their own children's learning and in the life of a school.

The Parent Forum is the collective name for every parent at a school. The Act gives each school's Parent Forum the right to set up a Parent Council. More information can be found on the Scottish Government website: www.scotland.gov.uk/Parents.

The role of the Parent Council is to:

- ◆ Support the school in its work with pupils
- ◆ Represent the views of all parents
- ◆ Encourage links between the school, parents, pupils, pre school groups and the wider community
- ◆ Report back to the Parent Forum (all parents are members of the Parent Forum).

Parent Councils are designed to be flexible – ensuring they can effectively represent their own school community and interests. It is for parents to decide what is most important for their Parent Council to work on.

Parent Councils can:

- ◆ Provide a voice for parents in schools and in their local authority on issues that are important to them and their children
- ◆ Help the school to understand how to most effectively involve parents in their children's learning and in the life of the school
- ◆ Support the school and Head Teacher in developing strong home/school partnerships
- ◆ Support the school in its development and improvement, and in understanding and making links with the wider community
- ◆ Capture the unique and varied skills, interests, knowledge and experience that parents can offer.

education.gov.scot/parentzone

Parent Councils provide an opportunity for parents to get involved in ways that suit them, and to support their school in getting the best education for all the pupils.

Sgoil a' Bhac Parent Council currently has 12 parent members to represent the parent forum. There is also a representative from the Sgoil Araich, the primary school and the Head Teacher always attends. The three local Councillors for the Sgìre a' Bhac ward are also invited to all meetings too.

The Parent Council fundraises using a small number of events over the school year, this allows them to raise money for all children who attend Sgoil a' Bhac. In the past the Parent Council has paid for buses for school trips including the panto, provided books and laptops for school use, contributed towards the P7 trip, purchased Leavers Hoodie's for all P7 pupils and school ties for all incoming P1 pupils. At times the Parent council are asked to support the school in other ways including supervising sports events.

Our current Office Bearers are:

Name	Position	Email
Jemma MacVicar	Chair	jemmamorrison880@hotmail.com
Kenina Richings	Secretary	kenina_richings@live.co.uk
Lizzie Beattie	Treasurer	lizziebeattie@hotmail.com

We help to represent the views of the parent forum, and parents are welcome to contact anyone on the parent council to ask for an item to be discussed at our next meeting. We regularly discuss current issues affecting Sgoil a' Bhac and on occasions, we meet with other parent councils too. All parents are welcome to attend our meetings. Our minutes can be found in the school, our meetings and details can be found on the school website.

Parents are encouraged to volunteer or put themselves forward to be chosen as representatives of the Parent Council. The Parent Council meets at least once per school term, more if necessary/required. All meetings are open and parents are welcome to attend. Copies of Parent Council minutes are available on the school website (<http://bit.ly/sgoilabhac>) and a copy is displayed on the public noticeboard.

Pupil Council

The Pupil Council, elected each session, meets several times a term, to plan and organise activities and discuss new ideas and issues.

School Ethos

Learning is most effective when pupils feel secure and happy. To this end, we aim to promote positive relationships in a number of ways: having a clear anti-bullying policy; modelling positive relationships; nurturing approaches; regular monitoring through confidential questionnaires and interviews; using Suggestion Boxes to pass on information; using the Restorative Practice approach to resolve conflicts and working closely with parents to identify and resolve bullying issues. Parents should keep a brief record of any suspected bullying (Who? What? Where? When?) and immediately pass it on to the school management.

Opportunities for achievement are planned. Pupil-led assemblies are held each term, where all classes (on a rota basis) present their learning, through their chosen media: music and song; drama or Powerpoint presentations. At the end of celebration assemblies, Certificates of Achievement are presented to pupils, from P1 to P7, for a range of successes.

Pupil-led initiatives (e.g. Pupil Council, Eco Committee and Rights Respecting Schools Steering Group) develop confidence, organisational and leadership skills.

Achievements are promoted at school level (assemblies and newsletters), in the community (local monthly newspaper 'Loch a' Tuath News') and through collaboration with parents, in individual pupil reports.

Wider achievements

School pupils have achieved success in many other areas. For example, at both Local and National Mods, Sgoil a' Bhac pupils have had outstanding successes in individual and choral singing; precenting; conversation; Bible reading; poetry recitation; sgeulachd; melodeon; fiddle and folk group.

Sporting successes are also noteworthy. Pupils have excelled in local and national cross-country events and athletics. In recent years the school has also enjoyed success in the North of Scotland Soccer Sevens Championship and Cuach na Cloinne, a national football tournament, for Gaelic Medium schools.

Sgoil a' Bhac pupils are also actively involved in: Bible Buddies; Cheerleading; Beavers and Cubs; Netball; Ballet; Running Club and Gymnastics classes and many other groups. Attendance, Attainment and Achievement are monitored monthly within the school and at Departmental level.

The school has strong links with the local and wider community. Members of the community contribute to the learning in many different ways. For example, visiting speakers supplement learning (e.g. Comann Eachdraidh Sgìre a' Bhac) and there are links with business and industry. These include: visits to BASF Callanish; visiting the BBC Radio studio; local business (Post Office, chemist, hairdresser and garage). Enterprise projects involve close links with businesses.

Wider achievements are acknowledged in the school reports and also on pupils Seesaw Profiles.

Pupils' Spiritual, Moral, Social and Cultural Values

The school works in partnership with two School Chaplains. Rev Colin Macleod is the minister of the Back Free Church of Scotland and Rev Donald Macleod is the minister of Tolsta Free Church of Scotland congregation. Our School Chaplains assist in the delivery of assemblies on a termly basis. In line with CnES and national policy, and to meet the spiritual needs of the school community, these assemblies are designated purely for religious observance, so are not a forum for normal school business. Parents who do not wish their child(ren) to attend, should notify the school. Assemblies are also held at other times on a regular basis and these cover topics such as relationships, safety, friendships and ethos and other issues.

Pupil Conduct

A partnership between the school and parents is required in order to ensure the best possible standard of pupil conduct. Pupils are expected to set themselves high standards in appearance and behaviour. School rules are relatively simple and few in number to allow for the smooth running of the school. The general aim is to produce an atmosphere of friendly co-operation, encouraging respect and consideration for other persons and other property.

Behaviour Code**Corridor Code**

- ◆ Always walk.
- ◆ Keep hands, feet and unkind words to yourself.
- ◆ Follow directions straight away.
- ◆ Look after property and equipment.
- ◆ Arrive in time for class.

Canteen Code

- ◆ Always walk.
- ◆ Keep hands, feet and unkind words to yourself.
- ◆ Follow directions straight away.
- ◆ Look after property and equipment.

Class Code

- ◆ Always walk.
- ◆ Keep hands, feet and unkind words to yourself.
- ◆ Follow directions straight away.
- ◆ Look after property and equipment.
- ◆ Arrive on time and be ready to learn.

Pupils who work hard, behave well or are successful in extra-curricular activities may be:

- ◆ praised by the teacher or given a sticker
- ◆ invited to go to the Head Teacher's office to show off their work
- ◆ awarded House points
- ◆ given a certificate of achievement
- ◆ recognised by having an achievement card sent home
- ◆ given their own choice of music for some activities
- ◆ given extra playtime
- ◆ awarded with a prize for excellence or exceptional performance

What happens if you break the Behaviour Code?

- ◆ you will be given a verbal reminder
- ◆ you may be given a verbal warning
- ◆ you may lose some of your Golden Time
- ◆ you may be kept in at break
- ◆ a note may be put into your school diary
- ◆ a formal letter may be sent to your parents
- ◆ your parents may be asked to the school
- ◆ in extreme cases, you may be suspended or excluded from school

Dealing with Bullying

Sgoil a' Bhac endorses CNES policies and guidelines on Anti-Bullying, Promoting Positive Behaviour, Inclusion and Racial Equality and aims to:

- ◆ reduce incidents of bullying;
- ◆ raise staff/pupil/parental awareness and understanding of the nature of bullying;
- ◆ make sure everyone knows how to deal with bullying

Definition of Bullying

Bullying is behaviour which leaves others feeling helpless, frightened, anxious, depressed or humiliated. It may be name-calling, teasing, putting down or threatening; ignoring, leaving out and spreading rumours; hitting, tripping and kicking; stealing and damaging belongings; sending abusive text, email or other messages; making people feel they are being bullied; targeting someone because of who they are or are perceived to be. It can occur as isolated incidents or over a longer period of time and can affect schoolwork and friendships.

Recognition of Bullying

Teachers and parents should be alert to the possibility of something being wrong e.g. deterioration of work, reluctance to come to school, isolation, desire for physical proximity with adults, bruising etc

Preventative and Reactive Strategies

Staff will:

- ◆ promote positive relationships at class and whole school levels;
- ◆ ensure pupils are closely supervised, in classes and at breaks;
- ◆ ensure pupils know what to do if they see any bullying;
- ◆ involve pupils and provide opportunities for them to share their experiences, through Circle Time, buddies, questionnaires, interviews and suggestion boxes;
- ◆ use the Restorative Approach to change behaviours

Codes of Behaviour: Implementation

ALL members of staff are responsible for reinforcing the Codes of Behaviour, monitoring pupil relationships and implementing the strategies outlined above.

Recording and Monitoring Strategies

Staff, pupils and parents should record details (i.e. when, where, who, what) of any incidents and report them immediately to a member of the SMT. All reported instances of bullying are recorded on SEEMiS the school's Management Information System. Monitoring is formally carried out as part of the school's Quality Assurance procedures.

Evaluation

The policy will be reviewed every four years, through consultation with pupils, staff and parents.

Numeracy

Children are taught Number, Money and Measure; Shape, Position and Movement; Information Handling. (Problem Solving is integrated across the maths and numeracy curriculum.) In developing numeracy skills children will learn:

- ◆ to understand the four processes of number (addition, subtraction, multiplication and division)
- ◆ good mathematical vocabulary
- ◆ common units of money and measure
- ◆ to estimate
- ◆ two and three dimensional shapes, figures, position and movement
- ◆ to collect, organise, display and interpret information
- ◆ to tackle investigations and problems
- ◆ how maths is relevant in the 'real' world
- ◆ to mentally manipulate and calculate number
- ◆ to use a calculator and computer where appropriate

Health and Wellbeing

In developing health and well being children will learn:

- ◆ that we all experience a variety of emotions that affect how we think, feel and behave
- ◆ to describe their feelings about what is going well or where support is needed
- ◆ that feeling and behaviour change depending upon what is happening within and around them. This helps them understand the way others behave.
- ◆ to value friendships and know that caring, sharing, fairness, equality and love are important in building friendships
- ◆ that people can often feel alone and can be misunderstood and left out by others
- ◆ the importance of showing support by a caring reaction.
- ◆ the importance of mental wellbeing, and know that people do not always enjoy good mental health
- ◆ the rights to which they are entitled in society and the responsibilities which fall on them. They will learn to respect the rights of others.
- ◆ that representing the school and/or wider community encourages self worth and confidence and allows them to contribute to and participate in society.
- ◆ to assess and manage risk, to protect themselves and others, and to reduce the potential for harm when possible.

Expressive Arts

In developing the expressive arts children will be inspired by a range of imaginative stimuli, including popular culture. Working on their own and with others, they will express their ideas, thoughts and feelings through creative work. Children will have the freedom to:

Art and Design

- ◆ discover and choose ways to create images and objects using a variety of art materials, exploring line, shape, form, colour, tone, pattern and texture
- ◆ through natural curiosity, exploration and imagination, they will work on their own and with others to solve design problems.

Music

- ◆ use their voice, musical instruments and music technology to discover and enjoy playing with sound and rhythm
- ◆ enjoy singing and playing along to music, from a range of styles and cultures.

Dance

- ◆ choose and explore ways they can move rhythmically, expressively and playfully, discovering how to control their body and how to use space and resources creatively
- ◆ enjoy taking part in dance experiences, becoming aware of different features of dances from a range of styles and cultures.

Drama

- ◆ choose and explore movement, expression and voice in different kinds of role play and drama
- ◆ explore real and imaginary situations, helping them to understand their world.

Social Studies

Children are taught People - Past and Societies; People - Place and Environment; and People - Society, Economy and Business. In developing social studies children will learn to:

- ◆ develop an understanding of how Scotland developed as a nation, resulting in an appreciation of their local and national heritage within the global community
- ◆ broaden their understanding of the world by learning about human activities and achievements in the past and present
- ◆ develop their understanding of their own values, beliefs and cultures and those of others
- ◆ locate, explore and link periods, people and events in time and place
- ◆ locate, explore and link features and places locally and further afield
- ◆ engage in entrepreneurial activities which stimulate an enterprising attitude
- ◆ develop an understanding of concepts that stimulate enterprise and influence business
- ◆ establish firm foundations for lifelong learning and for further specialised study and careers.

Sciences

Children are taught about Planet Earth, Forces, Electricity and Waves, Biological Systems, Materials and other areas of Science arising from events or interests. In developing the sciences children will learn through our physical world, our living world and our material world. Children will learn about:

- ◆ planet earth, sustainability, biodiversity, climate and earth sciences and astronomy
- ◆ energy and the environment, energy transfer, energy sources and energy in food and electricity
- ◆ forces and motion
- ◆ life and cells, keeping their bodies healthy, cells, biotechnology, reproduction and using their senses.
- ◆ communication, communication systems, light and sound
- ◆ materials, properties and uses, chemical reactions and forensic science.

Religious and Moral Education

Children are taught about Christianity and other World Religions. In Religious and Moral Education children will:

- ◆ learn about the beliefs, values, practices and traditions of Christianity
- ◆ develop knowledge and understanding of Christianity and other world religions

The attributes and capabilities of the 4 capacities are outlined below:

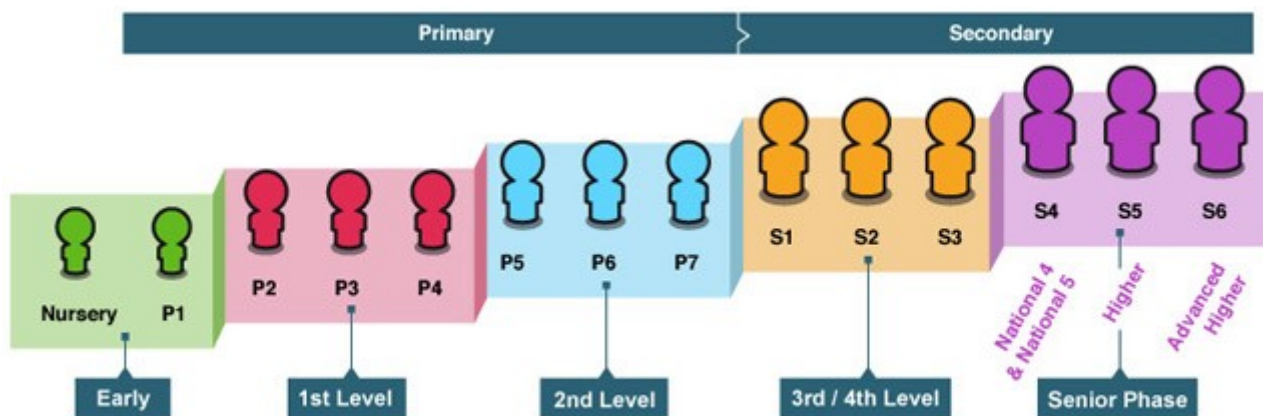

The attributes and capabilities can be used by establishments as a guide to check whether the curriculum for any individual child or young person sufficiently reflects the purposes of the curriculum.

Developing the Four Capacities

The experiences and outcomes are a set of statements which describe the expectations for learning and progression for each of the eight curriculum areas. The title "Experiences and Outcomes" recognises the importance of the quality and nature of the learning experience in developing attributes and capabilities and in achieving active engagement, motivation and depth of learning. An outcome represents what is to be achieved.

The experiences and outcomes for each curriculum area build in all the attributes and capabilities and so develop the 4 capacities.

Levels of Achievement

How the levels look in nurseries, primary and secondary schools

These levels provide scope for challenge for pupils and depth of study. Pupils can progress through them at a pace that suits their progress. It is clear that fast tracking, if appropriate to individual pupils, is catered for within this framework. Recognition for the wider achievement of pupils is a key feature of the new curriculum. This new element will cater for recognition of wider achievements, beyond attainment in examinations.

Broad General Education (BGE)

All children and young people in Scotland have an entitlement to a curriculum which will support them in developing their values and beliefs and enable them to:

- ◆ achieve the highest possible levels of literacy and numeracy and cognitive skills
- ◆ develop skills for learning, skills for life and skills for work
- ◆ develop knowledge and understanding of society, the world and Scotland's place in it
- ◆ experience challenge and success so that they can develop well-informed views and act responsibly.

They should be encouraged to adopt an active and healthy lifestyle and be equipped with the skills needed for planning their future lives and careers.

The period of education from pre-school to the end of S3 has the particular purpose of providing each young person in Scotland with this broad general education.

Those involved in planning the curriculum, including partners, should be conscious of the positive role which experiences and learning connected with culture, art, music and drama can have in providing a basis for developing the four capacities and for providing innovative approaches to learning across other areas of the curriculum.

BGE will include all of the experiences and outcomes across all curriculum areas up to and including the third level. These should be experienced by all pupils, as far as this is consistent with their learning needs and prior achievements. The exceptions to this statement are where specific sets of experiences and outcomes are specialised: Gàidhlig, Gaelic (learners) and classical languages and religious education in Roman Catholic schools.

This should enable and motivate learners to develop to their fullest across the four capacities. Most learners will progress into the fourth level in many aspects of their learning before the end of S3, laying strong foundations for more specialised learning, qualifications and lifelong learning.

For those learners whose needs are best met through learning at levels below the fourth level, the framework provides the opportunity to build on their prior learning and provide breadth, depth and enrichment.

More information on Curriculum for Excellence can be found on the following websites:

Education Scotland: <https://education.gov.scot/>

Education Scotland Parentzone: <https://education.gov.scot/parentzone>

SQA website: <http://www.sqa.org.uk/sqa/34714.html>

The Scottish Government website (there are also Gaelic versions on this site):

<http://www.scotland.gov.uk/Topics/Education/Schools/curriculum/ACE/cfeinaction>

Sensitive Aspects of Learning

As part of the pupil's health and well-being curriculum there are instances where pupils will be learning about matters of a more sensitive nature.

What makes a subject sensitive is subjective, but due to society's competing values they are often identified as being Relationships, Sexual Health and Parenthood, Substance Abuse and some aspects of Religious and Moral Education. However, it is essential that we deliver the Curriculum for Excellence in its totality, at the same time taking cognisance of cultures and beliefs as well as the legal entitlements of the UNCRC article 2.*

Teaching staff at Sgoil a' Bhac will ensure that you are aware when sensitive subjects are about to be taught. For Sexual Health and Religious Education there is a right to withdraw. You will be given this option at the time. We will handle all sensitive subjects with extreme care ensuring that work is differentiated and meets the needs of the individual in their context and community.

***Conduct of Relationships, Sexual Health and Parenthood Education in Schools: Scottish Government December 2014**

Religious & Moral Education & Religious Observance

Parents who wish to exercise their right to withdraw their child from Religious and Moral Education or Religious Observance should put their request in writing to the Head Teacher.

Active Schools

Active Schools work with schools and communities to help make sure children start active and stay active. The fundamental aim is to offer children and young people the opportunities and motivation to adopt active, healthy lifestyles, now and into adulthood. Our Active Schools Co-ordinator is Eric Macleod and he works with the school to develop an action plan of work they can support through the school year.

Assessment

Assessment of attainment is ongoing. Assessments may be carried out via observations; formal tests; dialogue with pupils; evidence from written work; photographs; audio or video presentations.

In recording attainment and reporting to parents, the school follows the reporting guidelines of the local authority in indicating which of the curriculum levels indicated in the diagram on page 25 your child is working through and when that level has been achieved. This information is made available during parent appointments and is recorded on the annual pupil report.

In addition to recording progress through the Curriculum for Excellence, the school uses a number of standardised assessments during a pupil's school life, as required by the local authority. They are:

P1 – Reasoning (English and Gaelic Medium pupils)

P1 – Scottish National Standardised Assessments (SNSA) in Literacy and Numeracy (English Medium pupils)

P1 - Measaidhean Coitcheann Nàiseanta Ghàidhlig?(MCNG) in Literacy and Numeracy (Gaelic Medium pupils)

P4 – Scottish National Standardised Assessments (SNSA) in Literacy and Numeracy (English Medium pupils)

P4 - Measaidhean Coitcheann Nàiseanta Ghàidhlig?(MCNG) in Literacy and Numeracy (Gaelic Medium pupils)

P5 – CATs (Cognitive Ability Tests)-(English and Gaelic Medium pupils)

P7 – Scottish National Standardised Assessments (SNSA) in Literacy and Numeracy(English and Gaelic Medium pupils)

P7 - Measaidhean Coitcheann Nàiseanta Ghàidhlig?(MCNG) in Literacy and Numeracy (Gaelic Medium pupils)

Results of these tests are made available to parents upon their completion and verification.

Reporting to Parents

Pupil-led Parents' Evenings allow pupils to be at the centre of their learning and to discuss their learning with parents. Demonstrations of learning (class presentations or specific skills e.g. gymnastics) are also a feature of the Pupil-led Evenings. There are two formal evenings for reporting to parents, these are usually in October/November and May/June. A formal written report will also be issued prior to the second meeting.

Parents are always welcome at the school. Appointments may be made to meet with any staff members, by phoning the school office, to arrange a mutually convenient time.

Primary 7 Annual Residential Trip to Alltnacriche Outdoor Centre near Aviemore.

SECTION FOUR – SUPPORT FOR PUPILS

We aim as far as is possible to educate pupils who have additional support needs alongside their peer group. When necessary, extra help is provided. This help is delivered in a flexible manner and the pupils can be seen individually, in a group or class.

“As with all local authority schools in Scotland, this school operates under the terms of the [Additional Support for Learning Act \(2009\)](#) and it's accompanying [Code of Practice](#).

These procedures have been strengthened through the [Children and Young People Act \(2014\)](#).”

The Additional Support Needs of the Children are identified through a process of Staged Assessment and Intervention. The process of Staged Assessment and Intervention provides a structured system for identification, assessment, planning, review and record keeping for individual children who receive additional support of any kind. The Getting it Right Approach for Children and Young People (GIRFEC) in the Western Isles puts in place a network to promote wellbeing so that children and young people get the right help at the right time.

All 'Looked After' Children and Young People are considered to have additional support needs. This is the case unless the school establishes they do not have additional support needs. The Local Authority must consider whether each looked after child requires a Co-ordinated Support Plan (CSP). The CSP is used to ensure a co-ordinated approach to providing support for children. The CSP will summarise assessments carried out for the child, explain the nature of the child's difficulties and outline the difficulties the Authority will take to support the pupil's needs. An assessment service is also provided by the teacher of children with visual and hearing impairment. The Speech Therapist also visits the schools to help any pupils who require support.

In addition, an Educational Psychologist advises on the varied behavioural and learning difficulties which all pupils can experience. She can work directly with pupils and families if required.

Under the Equality Act 2010, the Education Authority is not allowed to discriminate against disabled pupils.

Mediation is provided by Resolve in the Western Isles. It is a non judgemental voluntary process which seems to resolve misunderstandings in the early stages to prevent them escalating. Parents also have the right to have an advocate present at Mediation and this is available through Who Cares? Scotland. Parents should also be aware of the following organisations which provide advice and further information.

- ◆ Children in Scotland: Working for Children and their Families, trading as Enquire – a charitable body registered in Scotland under registration number SC003527 <https://enquire.org.uk/advice-for-parents/>
Enquire – the Scottish advice service for additional support for learning. Enquire provides a range of clear and easy-to-read guides and factsheets including The Parents' Guide to Additional Support for Learning. Enquire offers independent, confidential advice and information on additional support for learning through:
 - ◆ Telephone Helpline: 0845 123 2303 Email Enquiry Service: info@enquire.org.uk
 - ◆ Advice and information is also available at <https://www.enquire.org.uk>
 - ◆ Scottish Independent Advocacy Alliance, a charitable body registered in Scotland under registration number SCO33576
 - ◆ Scottish Child Law Centre, a charitable body registered in Scotland under registration number SCO12741

Further information locally can be obtained from the school or Area Principal Teacher of Learning Support.

Pastoral Support Arrangements**Getting it Right for Every Child (GIRFEC)**

We want all our children and young people to be fully supported as they grow and develop into successful learners, confident individuals, effective contributors and responsible citizens. We believe they should be:

Safe...	protected from abuse, neglect or harm
Healthy...	experiencing the highest standards of physical and mental health, and supported to make healthy, safe choices
Achieving...	receiving support and guidance in their learning – boosting their skills, confidence and self-esteem
Nurtured...	having a nurturing and stimulating place to live and grow
Active...	having opportunities to take part in a wide range of activities – helping them to build a fulfilling and happy future
Respected...	to be given a voice and involved in the decisions that affect their wellbeing
Responsible...	taking an active role within their schools and communities
Included...	getting help and guidance to overcome social, educational, physical and economic inequalities; accepted as full members of the communities in which they live and learn.

As children and young people progress on their journey through life, some may have temporary difficulties, some may live with challenges and some may experience more complex issues.

Sometimes they, and their families, are going to need help and support.

No matter where they live or whatever their needs, children, young people and their families should always know where they can find help, what support might be available and whether that help is right for them.

The GIRFEC approach ensures that anyone providing that support puts the child or young person, and their family, at the centre.

GIRFEC is important for everyone who works with children and young people, as well as many people who work with adults who look after children. Practitioners need to work together to support families, and where appropriate, take early action at the first signs of any difficulty, rather than only getting involved when a situation has already reached crisis point.

This means working across organisational boundaries and putting children and their families at the heart of decision making – and giving all our children and young people the best possible start in life.

What Getting it Right for Every Child means

For children, young people and their families:

- ◆ They will feel confident about the help they are getting
- ◆ They understand what is happening and why
- ◆ They have been listened to carefully and their wishes have been heard and understood
- ◆ They are appropriately involved in discussions and decisions that affect them
- ◆ They can rely on appropriate help being available as soon as possible
- ◆ They will have experienced a more streamlined and co-ordinated response from practitioners

For practitioners:

- ◆ Putting the child or young person at the centre and developing a shared understanding within and across agencies
- ◆ Using common tools, language and processes, considering the child or young person as a whole, and promoting closer working where necessary with other practitioners

For Managers in children's and adult services:

- ◆ Providing leadership and strategic support to implement the changes in culture, systems and practice required within and across agencies to implement *Getting it Right for Every Child*
- ◆ Planning for the transition as staff in agencies move from the current working processes to the new child-centred processes

More information is available on the Scottish Government website:

<http://www.scotland.gov.uk/Topics/People/Young-People/gettingitright>.

Child Protection Procedures

- ◆ Children have a right not to be abused or neglected, and to be protected from abuse and neglect.
- ◆ Child protection is a public concern and is the responsibility of all who work with children.

Agencies involved in working with children have a duty to promote policies and practices which are inclusive and child-centred, the basic values and principles of which are laid down in the UN Convention on the Rights of the Child (UNCRC).

The Comhairle is committed to upholding the 3 principal UNCRC rights of the child:

- ◆ **Non-discrimination:** All rights apply to all children equally, regardless of race, gender, religion, language, disability, opinion or family background.
- ◆ **Best Interests:** When adults or organisations make decisions which affect children, they must always think first about what would be best for the child.
- ◆ **The Child's View:** Children have the right to say what they think about anything which affects them. Agencies must listen to what children want and feel and take their views into account.

The Comhairle aims to promote collaborative working by all organisations and partner agencies involved in the delivery of children's services to ensure the effective protection, safety and wellbeing of all children.

The Comhairle has a designated officer for Child Protection who works to assist the Police, Health, Social Work and Education Departments in implementing effective procedures and practices to keep children safe and well.

The Department of Education aims to protect children in its educational establishments by implementing legislation, providing clear guidelines, raising awareness, and improving competence and confidence for staff in dealing with child protection issues through the provision of enhanced training for all.

The Scottish Executive has outlined that Education staff should be aware of their legal duty to safeguard and promote the welfare of children. Where appropriate, staff should also be aware of any particular support needs arising from children who are looked after, the subject of a supervision requirement, or child protection procedures, or children with additional support needs. In addition, staff should understand protocols for collaborative working, information sharing and confidentiality.

The aim for all staff in schools and pre-schools must be to make sure that children can access the help they need when they need it, and to assist in achieving the best possible outcomes for children who need help, support and protection. Any action in response to a child or young person's need for help and support, or action to protect them, must be properly co-ordinated and undertaken in accordance with these guidelines and the procedures detailed in **Safe and Well**.

In this regard, all schools have a person with designated responsibility for Child Protection (the Head Teacher) who co-ordinates the school's response to concerns for children and young people's safety and wellbeing.

It is not the role of schools to investigate child protection concerns, but to report them to the relevant agency and provide appropriate support for the children / young people involved. Staff in educational establishments should clearly understand the steps that must be taken when there are concerns for children's safety and wellbeing. Any member of staff who has any concern about the protection of any child or young person should bring this to the attention of the school's Child Protection Co-ordinator (Head Teacher), Social Work or Police as a matter of priority.

Transitions

Sgoil Araich

Children aged 2+ can be enrolled if there is sufficient space, however if demand for places outweighs supply, priority will be given to children eligible for their pre school funded place. Children aged 3+ securing a funded place are entitled to 1140 hours which can be taken flexibly during term time only or right across the year. Sgoil Araich Loch a' Tuath is only open during term time and so parents who opt to take their early years provision right across the year will have their children enrolled in Sgoil Araich Loch a' Tuath during term time and our Early Years Hub for through the holidays. The Early Years Hub we are connected to is found at Laxdale School. Children who enrol in the nursery will be invited into the nursery before they begin, to experience a little of the nursery atmosphere and to meet the nursery staff.

From 1 August 2023, if a parent of a child that is still 4 years old on the date they are eligible to start school (i.e. children with birth dates on or between the day after the school commencement date in August – last day in February) defers their entry to school for a year, they can automatically access an additional year of funded early learning and childcare.

More information can be obtained from the Sgoil Àraich Play Leaders, Dawn MacIennan (Gaelic Playroom) and Heather A McLeod (English Playroom) on 01851 820 230.

Transfer from Nursery to Primary

Before leaving nursery, a report for each child will be prepared by nursery staff to hand over to Primary School staff to ensure a smooth transition and continuity of education for the child transferring to Primary. There will also be a number of visits to the Primary class in the lead up to the child commencing in P1. P1 staff work closely with Sgoil Araich staff and both Nursery and P1 pupils share similar/same plans and topics across the school year.

Primary School Admissions

Children who will be four years of age by 28th February 2025 are eligible for infant enrolment in August 2025. Enrolment takes place at the end of January 2025, on a date specified by press advertisement.

In our school, pupils can be taught through the Medium of Gaelic or English. The Council operates a Gaidhlig First policy which means that all pupils will be enrolled into Gaelic Medium education unless parents choose to opt out and place their children in English Medium. At the time of enrolment, parents should provide a copy of their child's Birth Certificate and should inform the school of any medical problems or special needs which their child may have. New entrants engage in transition activities with the P1 classes through the year and visit the P1 classes regularly in Term 4 prior to entry, to sample some typical P1 activities.

Other children, whose families have just moved into our catchment area, should be accompanied by a parent or guardian on their first day of reporting to school if they have not already been in contact with the school.

Parents who wish to apply for a place at a school other than the local Primary School for new enrolments should complete a Placing Request Form found on the CnES website: <https://cne-siar.gov.uk/home/education/school-placing-requests/>

Primary to Secondary Transfer

A visit to the Secondary School is organised before the summer holidays and children from other catchment schools will have the opportunity to meet and get to know each other and their teachers. In some instances there may be an enhanced transition with more than one visit.

Secondary Schools

The Nicolson Institute, Sandwick Road, Stornoway, Isle of Lewis. Contact by telephone: 01851 707000 or email: nicolsoninstitute@gnes.net. For more information go to the school's website: <http://www.nicolsoninstitute.org/>

Sir E Scott School, Tarbert, Isle of Harris. Contact by telephone 01859 502900 or email: sirescottschool@gnes.net. For more information go to the school's website: <https://blogs.glowscotland.org.uk/es/sess/>

Placing Requests

As a parent, you have the right to make a Placing Request to be educated in a school other than the local school. Every effort will be made to try to meet parental wishes but you should note that it is not always possible to grant every Placing Request to a particular school.

If you wish to make a Placing Request, you should complete a Placing Request Form found on the CnES website: <https://cne-siar.gov.uk/home/education/school-placing-requests/>. If a Placing Request is successful, parents will be responsible for the safety and transportation costs of their child to and from their chosen school.

SECTION FIVE – SCHOOL IMPROVEMENT

Standards & Quality Report

Each year the school publishes a Standards and Quality Report which highlights the school's major achievements in the previous year. The school's Standards & Quality Report for the 2024-25 session is available on the school website at <https://blogs.glowscotland.org.uk/es/back/>

School Improvement Plan

The school produces an improvement plan each year to inform the development work of the coming academic year. Sgoil a' Bhac's Improvement Plan for the 2025-25 session is available on the school website at: <https://blogs.glowscotland.org.uk/es/back/>

Education Statistics Privacy Notice

Transferring Educational Data About Pupils

The Scottish Government and its partners collect and use information about pupils in schools (e.g. the number and characteristics of pupils, their attendance, absence and exclusions, their attainment and their destination when leaving school) to help to improve education across Scotland. This note explains why we need this information, how we use it and what we do to protect the information supplied to us.

Why do we need your data?

In order to make the best decisions about how to improve our education service, Scottish Government, education authorities and other partners such as the SQA and Skills Development Scotland need accurate, up-to-date data about our pupils. We are keen to help all our pupils do well in all aspects of school life and achieve better examination results. Accurate and up-to-date data allows us to:

- ◆ plan and deliver better policies for the benefit of all pupils
- ◆ plan and deliver better policies for the benefit of specific groups of pupils
- ◆ better understand some of the factors which influence pupil attainment and achievement
- ◆ share good practice
- ◆ target resources better
- ◆ enhance the quality of research to improve the lives of young people in Scotland

Data policy

Information about pupils' education is collected through our statistical surveys in partnership between the Scottish Government and Local Authorities through the ScotXed Programme which aims to help schools and Local Authorities by supporting efficient collection, processing and dissemination of statistical information. The Scottish Government then provides analysis of the data to support research, planning, management and monitoring of education services as well as to produce National Statistics publications.

Education data within Scottish Government is managed effectively by secure systems and is exploited as a valuable corporate resource, subject to confidentiality restraints. As part of its data policy, Scottish Government will not publish or make publicly available any information that allows individual pupils to be identified, nor will data be used by Scottish Government to take any actions in respect of individuals. Data is held securely and no information on individual pupils can or would be made publicly available by Scottish Government.

The individual data about pupils in schools collected by Scottish Government through statistical surveys is used only for the statistical and research purposes for which it is collected.

Your data protection rights

The collection, transfer, processing and sharing of ScotXed data is done in accordance with the Data Protection Act (1998). We also comply with the National Statistics Code of Practice requirements and other legislation related to safeguarding the confidentiality of data. The Data Protection Act gives you the right to know how we will use your data. This note can give only a brief description of how we use data. Fuller details of each individual ScotXed survey, including the purpose of each and the published data, can be found on the ScotXed website (<http://www.gov.scot/Topics/Statistics/ScotXed>). Pupil names and addresses (other than postcode) are never collected in any ScotXed statistical survey.

Scottish Government works with a range of partners including Education Scotland, Skills Development Scotland and the SQA. On occasion, in order to help meet our aim of improving the life of young people in Scotland, we may make individual data available to partners such as the National Registers of Scotland to carry out research relating to the national population census and also to academic institutions and organisations to carry out additional research and statistical analysis which helps inform policy development and contributes to improving outcomes for Scotland's people. In order to carry out this research to support better decisions, policy making and practice, data may be linked to information from other sources.

Any sharing or linkage of data will be done under the strict control of Scottish Government, and will be consistent with our data policy and the National Data Linkage Guiding Principles. This will ensure that no individual level data will be made public as a result of the data sharing and that these data will not be used to take any actions in respect of an individual. Decisions on the sharing or linkage of data will be taken in consultation with relevant colleagues and individuals within and outwith Scottish Government. At all times pupils' rights under the Data Protection Act and other relevant legislation will be ensured.

Concerns

If you have any concerns about the ScotXed data collections you can email the Head of Schools Analysis, Mick Wilson, at mick.wilson@scotland.gsi.gov.uk or write to Education Analytical Services, Area 2D, Victoria Quay, Leith, EH6 6QQ.

Transferring data about school staff

The Scottish Government and its partners collect and use information about school staff to help to improve education across Scotland. This note explains why we need this information, how we use it and what we do to protect the information supplied to us.

Why do we need your data?

In order to make the best decisions about how to improve our education service, Scottish Government, Education Authorities and other partners such as Education Scotland, GTC Scotland and teaching unions need accurate, up-to-date data about our teachers. In particular individual level staff data is vital for use by Scottish Government in education workforce planning. As a consequence of receiving this information, Scottish Government will be better able to

- ◆ plan more accurately the number of new staff to be trained each year,
- ◆ identify shortages in particular sectors and subjects
- ◆ monitor movements in and out of the profession at a national level.
- ◆ better understand the factors affecting education
- ◆ share good practice
- ◆ enhance the quality of research to improve the lives educational outcomes of young people in Scotland

Data Policy

Information about school staff is collected through our statistical surveys in partnership between Scottish Government and Local Authorities through the ScotXed programme which aims to help schools and Local Authorities by supporting efficient collection, processing and dissemination of statistical information. The Scottish Government then provides analysis of the data to support research, planning, management and monitoring of education services as well as to produce National Statistics publications.

Education data within Scottish Government is managed effectively by secure systems and is exploited as a valuable corporate resource, subject to confidentiality restraints. Scottish Government will not make publicly available any information that allows individual members of staff to be identified, nor will data be used by Scottish Government to take any actions in respect of individuals. No information on individual members of staff can or would be published by Scottish Government. Providing sensitive information such as national identity and ethnic background data is entirely voluntary. The staff census is supported by teachers unions who helped draw up the list of data collected.

The individual data collected by Scottish Government through ScotXed statistical surveys is used for the statistical and research purposes for which it is collected.

Your data protection rights

The collection, transfer, processing and sharing of ScotXed data is done in accordance with the Data Protection Act (1998), the National Statistics Code of Practice requirements and other legislation related to safeguarding the confidentiality of data relating to individuals. The Data Protection Act gives you the right to know how we will use your data. This note can give only a brief description of how we use data. Fuller details of the uses of staff data, including the published data, can be found on the ScotXed website: <https://www.gov.scot>

Teacher names and addresses (other than postcode) are never collected in any ScotXed statistical survey.

Scottish Government works with a range of partners including Education Scotland, GTC Scotland and the SQA. On occasion, in order to help meet our aim of improving our education system, we may make individual data available to partners and also academic institutions and organisations to carry out additional research and statistical analysis which helps inform policy development and contributes to improving outcomes for Scotland's people. APPENDICES

Appendix 1: ICP 1 Form

**ICP 1: Consent for a Child to Carry their Own Medication**

This form must be completed by parent/carer.

Pupil's Name:	
Class:	Date of Birth:
Address:	

Condition or Illness:
Name of Medicine:
Procedure to be taken in an emergency:
Doctor's Name & Telephone:

Contact Information	
Parent's Name:	
Parent's Daytime Contact Number:	
Relationship to Child:	

I would like my son/daughter to keep his/her own medication for him/her to use as necessary.

Signed: _____ Date: _____

Appendix 2: ICP 2 Form

**School Asthma Form**

Does your child tell you when he/she needs medicine? YES NO

Does your child need help taking his/ her asthma medicine? YES NO

What are your child's triggers (things that make their asthma worse?)

Does your child need to take any medicines before exercise or play? YES NO

If yes please describe below

Medicine	How much and when taken

Does your child need to take any other asthma medicines while in the schools care? YES NO

If yes please describe below

Medicine	How much and when taken

Reliever treatment when needed

For wheeze, cough shortness of breath or sudden tightness in the chest, give or allow my child to take the medicines below. After treatment and as soon as they feel better they can return to normal activity.

Medicine	Parents/carers signature

Expiry dates of medicines checked

Medicine	Date checked	Parent/carer signature

What signs can indicate that your child is having an attack?

Parent/Carers Signature:

Date:

What to do in an asthma attack?

Make sure the child takes two puffs of their reliever medication, preferably through a spacer.

Sit the child up and ensure tight clothing is loosened.

If no immediate improvement during an attack, make sure the child continues to take one puff of reliever inhaler every minute for five minutes or until their symptoms improve.

If the child's symptoms do not improve in five minutes - or if you are in doubt - call 999 or a doctor urgently.

[Appendix 3: Letter to parents](#)

_____School

Dear Parent/Carer

THE SCHOOL ASTHMA REGISTER

Thank you for informing us of your child's asthma on his/her registration form. As part of accepted good practice and with advice from the Department of Education and Skills, Asthma UK, our school has recently established a new School Asthma Policy for use by all staff.

As part of this new policy, we are asking all parents and carers of children with asthma to help us by completing a school asthma form.

The completed form will store helpful details about your child's current medicines, triggers, individual symptoms and emergency contact numbers. The completed form will help school staff to better understand your child's individual condition.

Please make sure the form is regularly checked and updated by your child's Doctor or asthma nurse and the school is kept informed about changes to your child's medicines, including how much they take and when.

I look forward to receiving your child's completed school asthma form.

Thank you for your help.

Yours sincerely

Head Teacher
