

Dear Parent,

As you will be aware, Comunn na Gaidhlig have been asked to look at whether it would be possible to take over the running of the GM afterschool club which will no longer be funded for at the end of the term.

Comunn na Gaidhlig have been working this year with schools in the Broadbay area to provide an afterschool service, and are very willing to do the same in Back if there is the demand. Our afterschool clubs are running in Laxdale, Stornoway and Point and have been very successful.

The club would run as it has been, with homework being done for the first half and activities in the second. Each session would cost £3 (if there are siblings attending it will be £3 for the oldest and £2 for every child following). Included in this price is a snack of juice, fresh fruit and a biscuit.

We would like to provide the same service of five days, but this will all be dependant on numbers attending. We have to ensure that the costs for staff and supplies can be met. To get a rough idea of numbers for each day, I have attached a short survey for parents. I would greatly appreciate it if you could return these to the school or email me on mairiw@cnag.org.

Without responses, we cannot get a clear picture of the demand. Please do not hesitate to contact me if you have any questions.

Kind Regards,

Mairi Wilson
